The Reverend's Ruminations

As many of us do, I recently received an electronic calendar notification that I had created to remind me of an important anniversary. In this case, it had now been six years ago that I had the once-in-a-lifetime opportunity to officiate my sister's wedding at our home church in Winnebago. It was a beautiful service, complete with a guest organist to blow the cobwebs out of the organ and even a bagpiper for the processional and recessional. Perhaps best of all was the huge assembly of family and friends, some of whom I hadn't seen in a decade or more (and most of whom had not yet seen me in my ministerial role). It is always heartwarming to see so many familiar faces at a milestone event like a baptism, confirmation, graduation, wedding, or even funeral. The challenge of course is that there is never enough time to catch up with all of them within the limited confines of a reception—particularly over the music and excitement of a wedding dance!

As I paused to look back at the bulletin from that joyous day, I was reminded of one of the passages we chose for the ceremony, from Romans 12:9-18—subtitled in some Bibles as “Marks of the True Christian.” So much of Paul's advice in this section of Romans reads like advice for newlyweds, even if it was originally written to encourage his growing congregations of new Christians in Rome. Verse 10, which in the New International Version reads, “*Be devoted to one another in brotherly love,*” drew some laughs at the wedding when I noted that we had conveniently chosen to omit the word *brotherly* when the Scripture passage was read by a cousin of the groom. I think all of us can recall times when brotherly (or sisterly) “love” was not exactly what we'd wish on anyone's marriage relationship!?!

But beyond the very applicable words for a wedding, Paul does encourage some tough concepts that are just as challenging for us today as they must have been for those early Christians amidst the hedonistic Roman culture. “*Bless those who persecute you; bless and do not curse them,*” he says in verse 14. This is no easier as an adult than it was back in your elementary school days—it seems to go against basic human nature, which tells us that getting even is the only thing that will make us feel any better. How easy it is to spread rumors about someone, tear apart a real or digital acquaintance on social media, cut off the next driver you in turn pass on the highway, or even curse someone out loud for something they've knowingly or unknowingly done to you.

But what does it accomplish for you, for your family, or for Christianity in general when you succumb to such thoughts or actions? Paul follows up with some tough advice in verses 16-18, and while it isn't always the first thing that comes to mind when we feel we've been wronged, I challenge you to make it part of your subconscious so that you'll be ready to live your Christian beliefs in full view of those who might least expect it:

“Live in harmony with one another; do not be haughty, but associate with the lowly; do not claim to be wiser than you are. Do not repay anyone evil for evil, but take thought for what is noble in the sight of all. If it is possible, so far as it depends on you, live peaceably with all.”

May God's peace be with you as we FINALLY enter fully into the warmth, beauty, and new growth of spring.

Yours in Christ,

Rev. Cory Germain

May Blessing Box – Martin County Relay for Life

Relay for Life is a community gathering that gives everyone an opportunity to fight cancer and help save lives. Teams camp out at the Martin County Fairgrounds and take turns walking or running around a path. Because cancer never sleeps, each team is asked to have a representative on the path at all times during the night.

At Relay for Life, survivors are celebrated and loved ones lost to the disease are remembered.

This year, First Congregational UCC will have a team walking in the relay. During the month of May, we will focus our Blessing Box on their efforts and show our support. You will have the opportunity to join their fight and CRUSH Cancer!!

The money raised through Relay for Life helps to fight cancer on all fronts. Funds raised through Relay enable the American Cancer Society to help people stay well and get well, to find cures and to fight back. With cancer prevention and early detection programs; free services for cancer patients, like Road to Recovery, which provides free transportation to treatment; breakthrough cancer research funded by Society grants; and support for new laws to help fight cancer and increase access to quality health care, the American Cancer Society is doing everything possible to create a world with more birthdays.

There are many opportunities for you to get involved with First Congo's Cancer CRUSH!

- During May and June, we will be selling luminarias, white paper bags that will be illuminated the night of the Relay. Luminarias honor every life touched by cancer. You can dedicate them to a loved one lost, someone currently battling, or anyone who's overcome cancer. You can decorate the bag or have us do it for you. Each bag is \$10.
- Help us gather a list of those in our church family who have been touched by cancer. Give names to any team member.
- We will be having a Blessing Box collection on May 27. All donations will go to the team to help CRUSH cancer.

FACILITIES BOARD
First Congregational United Church of Christ
Fairmont MN

MINUTES OF APRIL 12, 2018 MEETING WHICH CONVENED AT 7:00 PM - CONT'D

OLD BUSINESS:

1. Facilities - Capital Projects:

- Air conditioner for office hallway and Downtown Plaza entrance. We need to get a second bid from Day plumbing. We have two estimates. Day Plumbing is for a 13 seer for \$5382.00. The other is from across the alley for a 15 seer unit for \$5350.00. This is by far a better deal because of lower estimate and better efficiency.
- Convert lights throughout church to LED. This will create a rebate for lights and conserve energy usage.
Lights replaced month with LEDs in fire side room, kitchen, serving area, lower level hallway & Narthex. Approximate cost of \$4000.00 without rebates calculated. Rebates are approximately a third of the cost.
- New riding lawn mower.
- Ceiling Heritage Hall to cover-up duct work etc.
- Replace railing outside kitchen door. Railing has been ordered.

2. Discussion about adding line item to budget "service – maintenance of equipment". Carry this item until Budget time next fall.

3. Projects:

- Bat control.
Brad went into attic with foam and plugged all openings this week.
- Signage for parking in alley – unreadable.
Sign has been ordered.
- Remove CE Coordinator name from front sign.
This has been completed this last month.
- The north tower roof drainage problem has been repaired by a company in New Ulm. This should resolve the water leakage problem. Carry this to see if we have a leaking problem with current storm.

GENERAL PROJECTS TO DO

- Mount AED
Dean completed this last month.
- Replace 26-year-old furnace. Estimate for material and labor is \$3,278.00.
This is currently on hold because furnace is now working fine.

Other items

- a. Reach outside the church into the community.

Next meeting is **Thursday May 10, 2018 @ 7 pm.**

ROBBIN CELANDER INTERVIEW

Robbin Celandar is a third generation member of our church. His grandparents, Leone and Henry Celandar were long time members . His father, Richard Celandar, grew up in the church and was a member until his untimely death from cancer 40 years ago. Marabelle Celandar Lindell joined the congregation when she married Richard and raised their children Cynthia Celandar, Kim Shoen and Robbin as active participants.

Cathy and Robbin have three children. Abby Shoen Namken and Jacob Shoen joined their family after the untimely death of their mother, Kim, when they were 8 and 6 respectively.

Dylan was almost two years old and thought having a big brother and sister was "cool".

Confirmation classes for Robbin and his class were done by the Reverend Norman Lawton, who prepared the students for membership after the arrival of the Reverend Lyle Norris. Lowell Kuberka and his mother were Sunday School teachers he remembers with fondness. He sang with the choir during high school, and has rejoined the group celebrating "Joseph and His Coat of Many Colors" and that wonderful music.

Hymns often reflect the feeling of hope and faith we celebrate. Robbin would choose "On Eagles Wings" and "Here I Am, Lord" as favorites. Both seem to reflect Robbin's acceptance of God's power and his sense of humility as a man of God.

As a farmer and livestock grower, Robbin has used his business experience to head the Finance Committee for six years, and is presently the Finance Liaison to the Church Council. He credits his longevity and interest in our church because of "the people who go there" and "the way children are treated and respected". He joined others in saying that the church has been wonderfully supportive for their family at times of crisis, and that at times of great joy as well. (Remember when GHEC won the boys' state basketball tournament with Coach Celandar at the helm?) Two grand-daughters (Remi and Reagan Shoen) and his family are important and he treasures the role the church has played in their lives.

Asked about challenges the congregation may face, Robbin hopes that we will be able to attract other young adults and families and continue to grow. He is proud of the way in which the congregation has weathered the storms of the recent past, and recognizes the outreach and mission projects we support. He certainly would not ignore the fun, fellowship and food as important . The Celandar/Shoen family is well known for their culinary and entertaining talents at First Congregational.

Robbin and his entire family are generous, hard-working and faithful members. We are blessed to share our lives and ministry with each of them.

As we celebrate our 150 years, it seems a good idea to talk with some of our members who were raised in the church, were confirmed here, and remain active members. We are blessed to hear that history, and to celebrate the heritage of three and four generations of devoted members.

As spring becomes a bit more real, it is a good time to think about strawberry shortcake. From our "old" cookbook comes a recipe from Mrs. R. J. Wallace.

QUICK SHORTCAKE

3 c. white flour

3 tsp. baking powder

1/2 tsp. salt

1/3 c. Crisco

1 egg, beaten

1 c. milk

Sift flour, baking powder and salt together four times. Mix Crisco in with fork, add milk, last the beaten egg. Spread in a greased cake tin or make individual shortcakes. Bake in hot oven (450) for about 15 minutes. Split shortcakes, butter and put sweetened berries between and on top of shortcake. Serve with whipped cream if desired. Serves 8. More recently comes a recipe from the Celander family for a meat loaf that is exceptional.

BEST EVER MEATLOAF

1 ½ lb. ground beef

2 eggs

¼ t. pepper

2 t. salt

½ c. shredded carrots

1 median onion

2/3 c. milk 1 c. shredded cheddar cheese

3 slices cubed bread.

Mix gently and put into loaf pan. Mix together 1/4 c. brown sugar, 1/4 c. ketchup and 1 T. yellow mustard. Pour over meatloaf. Bake 1 hour at 350 degrees. Let stand 10 minutes before serving.

*Dear church family,
Thank you for donating to the

Love, Paige and Sydney Hainy.

Four weeks have passed since the last report. The following is a summary of what was received during those weeks and where we are as of the 15th of April 2018.

\$4,423 worth of Fareway slips were received or 2.95% of the total needed. Fareway is now at 84.85% of the goal, or \$127,274 of the \$150,000 goal.

\$14,014 worth of Hy-Vee slips were received or 9.34% of the total needed. Hy-Vee is now at 71.90% of the goal, or \$107,855 of the \$150,000 goal.

Keep those slips coming. Even older slips can still be used. One week someone turned in a number of slips in which there were slips going back to June 2014. Slips from the first of March 2011 can still be used. Even slips with almost nothing help. I have seen a number of slips for 18 cents or less as gas has been purchased with only paying the .9 cents per gallon.

Spring 2018

Spring...

After a long and dreary winter, spring is finally in the air! I love seeing the smiles on people's faces as they go about their day. Smiles are so contagious!

We have been very busy at Habitat for Humanity over the winter. In February, we completed the work for the Ramos/Garcia family at 604 S. Park Street in Fairmont. They closed on their home and began moving in the same evening. It was a pleasure to work with Edgar, Alicia, and their children. I think everyone slept better knowing they were finally at home in their safe and comfortable house.

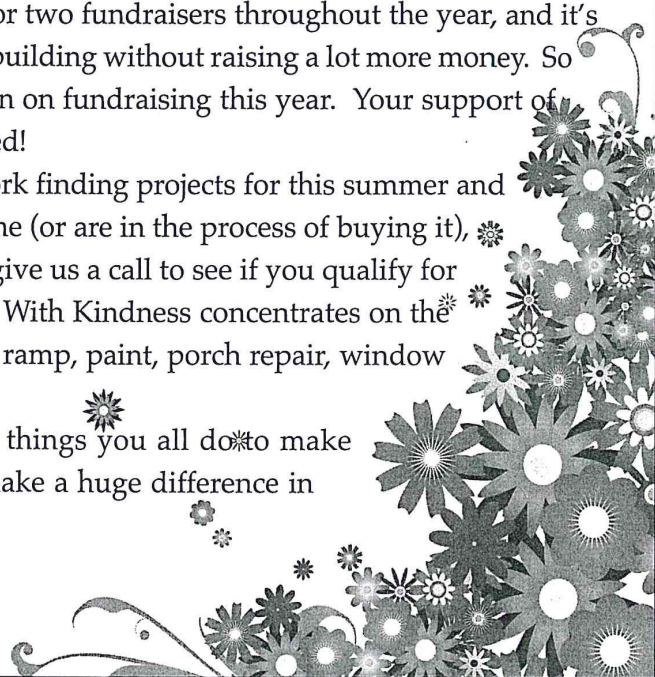

Work has continued at the Ashley Lind home at 313 N. Orient Street in Fairmont. The plumber and electrician have finished their part, and we are now ready to start sheet rocking! Once sheet rock begins to go up, a house truly makes a transformation. We are lining up work groups for this big job, so please call me at the Habitat Office, 526-2500, if you have a group who is interested in working for a day. Or two. Or more!

Throughout our newsletter you will see information on various fundraisers coming up. For several years now, our affiliate has only had one or two fundraisers throughout the year, and it's finally dawned on us that we can't afford to keep building without raising a lot more money. So that's why we are having a renewed concentration on fundraising this year. Your support of these fundraising events is appreciated and needed!

Our Family Selection Committee is hard at work finding projects for this summer and the following building year. If you own your home (or are in the process of buying it), and you need internal or external repairs, please give us a call to see if you qualify for our "A Brush With Kindness" program. A Brush With Kindness concentrates on the exterior of a home, whether you need a handicap ramp, paint, porch repair, window wells, windows – we may be able to help!

I can't thank everyone enough for the many things you all do to make Habitat for Humanity successful. We truly do make a huge difference in people's lives. God bless you!

Dear Ministry Partners at First Congregational UCC,

Thank you so much for your recent gift of \$833.00 to Our Church's Wider Mission (OCWM). Your gifts to OCWM allow us to multiply the impact of our shared ministry across the Minnesota Conference.

How do your gifts to OCWM strengthen the ministry of the whole Church? Together, we:

- *Support congregations and clergy in crisis
- *Offer renewal programs to congregations struggling to see a way forward
- *Accompany persons discerning a call to ministry
- *Provide a system of accountability and support for clergy and churches
- *Lift a collective, prophetic voice on matters of justice and social concern
- *Provide training and leadership development opportunities to clergy and lay persons
- *Ensure the presence and witness of the Church in nations across the globe
- *Assist congregations in their search for a new pastor
- *Offer exciting faith formation opportunities at Pilgrim Point Camp and across the Conference

Doing this work as partners is part of the covenant we share in the United Church of Christ. There's so much more we can accomplish together than we could ever do alone. Thank you for your giving to OCWM and for all that it makes possible. We are the Church.....together!

*Our hearts go out to
Les Heinrich, Dr. Alice Maday,
Ann Hartmann and the rest of the family of Margaret
"Peggy" Heinrich. May the Holy Spirit comfort your sorrow.*

*(Peggy was a special helper in getting our newsletters sent out.
She will be missed.)*

Finding the right words to express our sincere gratitude for the funeral service of our sister, Margaret "Peggy" Heinrich is more than a bit difficult. This church family wrapped our immediate and extended family members in your arms to share in our loss and grief. Pastor Cory had known Peggy during the newsletter assembly each month, yet spoke of her as though he knew her forever. The funeral committee set the fellowship hall beautifully with Peggy's favorite colored centerpieces and served the same luncheon menu that Peggy had chosen for our Mother, Ida Fancher, in 2011. The cupcakes appeared from the kitchens of the many generous women of the congregation and the frostings were dazzling and scrumptious. Thank you seems inadequate for all of the work plus the many generous donations, cards, hugs, and prayers that have lifted us up during our sadness.

*On behalf of our extended families and in our Christ's Love,
Alice Maday, Ann Hartmann, & Don/Arlene Fancher
and husband Les Heinrich*
