

To whom it may concern,

I am writing this letter of recommendation to Tiffany's Tiny Tots Daycare, LLC in Gap, PA. Tiffany has provided childcare for my two children. Finding a place to take our children can be very difficult because we want someone to care for them as they were their own. We have had some very bad experiences with daycares but once we found Tiffany's Tiny Tots Daycare we knew we were in the right place. The overall environment is safe, clean and nurturing for all ages. Tiffany herself cannot be any more caring and the daycare itself gave such a warm, loving feel from the moment we met Tiffany to touring her daycare. You can tell that she truly loves what she does and most importantly our children loved her.

Tiffany's Tiny Tots Daycare provides an environment that is not only a loving home base but also promotes intellectual and emotional growth. Tiffany's daycare is very well equipped with age appropriate toys both inside and outside. The children were taught to treat each other with respect and kindness. Educationally the children learned numbers/counting, letters, shapes and having fun dancing was always a favorite. Even on the rainy days when they were not outside running around they would be inside doing fun activities such as dancing and fun arts and crafts. The children never came home not having the best days they could as every day at Tiff Tot's was a fun day.

At pickup time I was made aware of the day's activities and also if there was anything that I needed to be aware of regarding my child. When picking up the kids they never wanted to leave and dropping off was very easy as they could not wait to go each and every day. Coming to Tiffany's Tiny Tots Daycare was truly one of the best decisions that I made for not only kids but for me knowing they were safe and loved just as they would have been at home.

Sincerely,
