Light raises thousands for charity

Adams all the way from Los Angeles. Cousins enjoyed a supper prepared by school cleaners and local pop and rock band the Time Kings kept the dancefloor busy until the end of the night.

Debbie added: "We hope to have raised £11,000 for this very worthy charity, thanks to the kindness of so many people. Jerry Hicks at cost and we provided drinks at cost and Chris Hantslage, a walking brand of Steve's, provided all soft drinks for free."

"A heartfelt thanks to everyone involved, especially Elise Prosser who was simply outstanding with her organisational skills."

Another fundraiser has not as yet been planned but already people are asking when the next 'do' is and 'we reserve tables next time.' So watch this space."

“ Rick Adams is one of those rare personalities who can light up not only a room, but an entire international terminal at an airport! We were fortunate to have Rick Emcee our “LAX Appreciation Day,” a preview celebration of the new Tom Bradley International Terminal.
