## Corner Rounder

Shark Finishing Machinery introduces to its line of Smart print finishing equipment the SCR-7 Smart Corner Rounder. Capable of cornering up to 3" at a time using any of 7 built in dies that can be selected from its rotary carousel. Standard blade sizes range from 3/32 to 5/16 and optional 1/2 and 3/8 are also available. This machine is easy to use, compact in size and requires only minimal maintenance. The SCR-7 will give you the same professional results of other more expensive electric corner rounding machines at a small fraction of the price.

### The SCR-7 offers:

- Cutting capacity of up to 3 inches
- Easy to use built in Rotary Die Carousel
- Manual Die Selector
- Standard Built in 7 Dies
- Blades can be sharpened
- Electric
- Foot Pedal Operation
- Built in waste basket for easy clean up
- Change Die in as fast as 2 seconds
