1100 GENERAL INFORMATION

1101 **POLICY.** The purpose of the U.S. Naval Sea Cadet Corps Uniform Regulations is to: (1) Provide descriptions of all authorized U.S. Naval Sea Cadet Corps (NSCC) and Navy League Cadet Corps (NLCC) uniforms and components. (2) Provide guidance for prescribing uniform wear in order to present a uniform image across the NSCC. (3) Ensure that NSCC personnel present a proud and professional appearance that will reflect positively on the individual, the NSCC, the maritime services, and the United States. The Executive Director will periodically issue changes and updates to these regulations, primarily to keep the NSCC uniform policy consistent with the U.S. Navy's and to meet the organization's requirements.

1. **Applicability.** The provisions of this manual apply to all enrolled personnel (adults and cadets) who are authorized to wear the NSCC Officer/Cadet Uniforms or the Alternate Uniform. NSCC personnel (officers, instructors, midshipmen and cadets) are authorized to wear appropriately modified versions of some, BUT NOT ALL, uniforms prescribed in U.S. Navy Uniform Regulations (NAVPERS 15665 Series). The modifications will be such as to clearly identify the wearer as a member of the Naval Sea Cadets Corps. Wearing of uniforms, insignia or other uniform devices not specifically addressed in this or other NSCC manuals or instructions is prohibited.

2. **Definition.** Uniform - the dress of a unique or distinctive design, worn by members of a particular group, and serving as a means of identification. Uniformity within the unit is paramount. It is the Corps' goal to have all unit members in like uniforms. The very word "uniform"-one form, implies a desire for a common, correct and appropriate dress for military attire.

1102 **HISTORY.** Since its inception in 1962, the Naval Sea Cadet Corps has had the honor and distinction of wearing the uniforms of the United States Navy. This uniform carries with it a long history and a sense of tradition. As the uniforms of the Navy continue to evolve, the Naval Sea Cadet Corps will continue to follow.

1103 **ENFORCEMENT.** These regulations describe the authorized NSCC/NLCC uniforms. NSCC uniforms are distinctive visual evidence of the authority and responsibility vested in the Naval Sea Cadet Corps by the Navy. The Executive Director is the prescribing authority that determines when and where the uniforms in this manual are appropriate to wear. Uniforms and components shall only be worn as described in these regulations. Additionally all NSCC personnel are required to comply with published height/weight standards so as to appropriately reflect the respect for our country's and our Navy's uniform.

1104 **HEADGEAR**

1. **General.** The cap or hat is considered an integral part of the uniform. Uniform headgear will not be required to be worn when ships are at sea outside harbor limits, except on specific watches or on special ceremonial occasions specified by the Commanding Officer or appropriate authority. Uniform headgear shall be worn in port or at drill locations, with suitable relaxations for appropriate work or when safety prohibits wear.
2. **Outdoor Wear.** When outdoors, personnel in uniform shall remain covered at all times except when ordered to uncover, or during religious services not associated with a military ceremony. Personnel remain covered during invocations or other religious military ceremonies such as change of command, ships' commissioning and launchings, and military burials, etc. The chaplain conducting the religious ceremony will guide participants following the customs of their church.
3. **Indoor Wear.** Indoors, personnel will normally remain uncovered at all times unless directed otherwise by appropriate authority for a special situation/event. An NSCC officer or cadet in a duty status and wearing a guard belt may only remove headgear indoors when entering dining, medical, FOD hazard areas or where religious services are being conducted.
4. **Special Circumstances.** Personnel are permitted to remove their cap or hat when traveling inside a private automobile off base. A cover shall be mandatory when entering/leaving or within a military installation, except where the wearing of the cap by the driver is impracticable or hazardous, and the good judgment of the individuals concerned may require the cap to be removed. A military cover may be removed when riding a bicycle or motorcycle on or off base. A safety helmet is required in its place.

1105 **ADDITIONAL CONSIDERATIONS**

1. **Unique requirements.** NSCC personnel should reference U.S. Navy Uniform Regulations (NAVPERS 15665[Series]) or host military commands for amplification of certain uniform issues, such as uniform fabric or other restrictions associated with the wearing of NSCC uniforms aboard ships.
2. **Demeanor in Uniform.** It is inappropriate for NSCC personnel, while in uniform, to walk or stand with their hands in their pockets, use any tobacco products, consume beverages or food, or wear headphones while walking in uniform, as it detracts from military smartness. The use of mobile phones or personal electronic devices should never interfere with the ability to render a proper salute, interfere with operations security, or personal safety.
3. **Shipboard Wear.** The wearing of certain types of uniforms in a shipboard environment should be considered. Specific items like polyester materials, Corfam/Patent Leather shoes, and skirts require special consideration and should be reviewed and/or approved with the prescribing authority prior to boarding ships.

1106 **CLOTHING ALLOWANCES AND DEPOSITS.** NSCC members are not entitled to nor receive any allowance for the purchase of uniforms. A uniform deposit may be collected from the member and will be returned to the individual at the time of disenrollment or discharge when all items issued are returned within a reasonable time.

1200 AUTHORITY TO PRESCRIBE

1201 **GENERAL.** NSCC personnel shall wear the uniform of their respective rate or rank as prescribed by the designated uniform prescribing authority.

1202 **PRESCRIBING AUTHORITY.** In accordance with OPNAVINST 5760.5(Series), the Secretary of the Navy has authorized members of the Sea Cadets to wear appropriately modified versions of the Navy officer, midshipman, and enlisted uniforms as prescribed in the U.S. Navy Uniform Regulations. Additionally, cadets may wear previously authorized Navy uniforms that may not be currently in use. The modifications, designed to clearly identify the wearer as a member of the Naval Sea Cadet Corps, are issued by the Executive Director, Naval Sea Cadet Corps, and approved by COMNAVCRUITCOM. Navy and Naval Reserve personnel, including retired personnel, may wear their Navy uniforms when participating in the program.

1203 **CHAIN OF COMMAND.** The chain of command, NHQ Representatives, Regional Directors, and Unit Commanding Officers will ensure compliance with uniform policy, as issued by the prescribing authority. This includes all occasions when personnel are in uniform, whether at drill locations, training evolutions, or transiting to any such evolution.

1204 **PRESCRIBED UNIFORMS.** Prescribing authorities select uniforms, the individual does not. It is essential that suitable uniforms for ship and shore, dress and work are prescribed. Each unit commanding officer should consider its unique drill environments, tenant commands, climatic conditions, geographic location and public exposure. Generally, there will be only one uniform of the day authorized for wear at a given time and location. All NSCC personnel must wear either the uniform of the day or alternate uniform prescribed by the activity's prescribing authority. Military and alternate uniforms must be worn within established standards, and civilian attire (when authorized) must present a neatly groomed and socially acceptable appearance. Military and civilian attire must present a neatly groomed and socially acceptable appearance. When warranted by local circumstances, the prescribing authority may prescribe a different uniform. In that case, only the minimum number of uniforms required to meet local conditions will be prescribed. A specific uniform will be prescribed for functions involving the civilian community. Unit Commanding Officers may address special uniform requirements to the Executive Director, if a waiver is necessary, via the chain of command.

1205 **REGULATIONS.** To the extent possible, NSCC personnel will conform to the uniform policy established by the local cognizant naval authority. In attempting to comply with local naval authority, and others charged with enforcing uniform policy, NHQ Representatives and Regional Directors should bear in mind that NSCC personnel receive no uniform allowance, or any other reimbursement to defray costs of uniforms. They cannot authorize, locally, the wearing of uniforms that are not authorized in this manual.

1400 DIRECTIVES AND REGULATIONS PERTAINING TO UNIFORMS

1401 GENERAL. Various regulations and amplifying directives issued by competent authorities govern the wear of Navy uniforms by NSCC personnel.

1402 NSCC REGULATIONS. NSCC Regulations, Chapter FOURTEEN applies:

1. Section 1410.1 NSCC cadets, officers, instructors and midshipmen are authorized to wear Navy uniforms appropriately modified by NSCC insignia, so as to clearly identify the wearer as a member of NSCC. Failure to wear the appropriate NSCC insignia is grounds for dismissal from the NSCC.
2. Section 1411.2 Cadets who willfully fail to comply with NSCC Uniform Regulations will be separated from the NSCC. Commanding officers may take this action without the concurrence of National Headquarters.

1403 OPNAV INSTRUCTION 5760.5 (SERIES). The Secretary of the Navy has authorized members of the Sea Cadets to wear appropriately modified versions of the Navy officer, midshipman, and enlisted uniforms as prescribed in the U.S. Navy Uniform Regulations. Additionally, cadets may wear previously authorized Navy uniforms that may not be currently in use. The modifications, designed to clearly identify the wearer as a member of the Sea Cadets, are issued by the Executive Director, Naval Sea Cadet Corps, and approved by COMNAVCRUITCOM. Navy and Naval Reserve personnel, including retired personnel, may wear their Navy uniforms when participating in the program.

1404 DISTINCTIVE INSIGNIA

1. NSCC Regulations

- a. Section 1430.1: NSCC insignia will be worn to modify Navy uniforms as prescribed in NSCC Uniform Regulations. Wearing of NSCC insignia is mandatory.
 - b. Section 1431.2: The wearing of Navy uniform insignia, other than authorized rank insignia and earned Navy/Coast Guard/DOD ribbon awards, breast insignia and appurtenances, is not permitted.

SECTION 5: UNIFORM STANDARDS

1. STANDARD PHRASEOLOGY.....1501
 2. REGULATION CLOTHING AND INSIGNIA.....1502
 3. UNIFORM REVIEW.....1503
-

1500 UNIFORM STANDARDS

- 1501 **STANDARD PHRASEOLOGY.** When making official references to the uniforms, insignia, and grooming standards in any official publication, the terms set forth in these regulations shall be used.
1. **Alternate Uniform.** A uniform worn by an NSCC adult volunteer who is not authorized or is unable to wear the military style officer's uniform due to weight standards, medical condition, or other approved reason. The NSCC Alternate Uniform is not civilian attire.
 2. **Basic Uniform Components.** Uniform items required as part of the basic uniform. These are the minimum items which must be worn unless the prescribing authority directs otherwise.
 3. **Civilian Attire.** Clothing worn by members of the NSCC/NLCC during liberty periods or to evolutions where the wearing of the Navy-style or Alternate Uniform would be inappropriate or cause undo damage to the uniform. The NSCC Alternate Uniform is not civilian attire. Some Non-liberty examples of times when civilian attire versus a uniform is appropriate would be; purchasing supplies for the unit, travel on NSCC business, or attending meetings with the unit sponsor.
 4. **Complements Skin Tone.** A conservative color which contributes to the wearer's natural skin tone. Conservative colors are generally inconspicuous and do not detract from a professional appearance in uniform.
 5. **Conspicuous.** Obvious to the eye, attracting attention, striking, bright in color, should blend with (not stand out from) a professional appearance in uniform. What is conspicuous on one person may not be noticeable on another. If attention is naturally drawn to or distracted from the professional appearance, it is conspicuous.
 6. **Conservative.** Not conspicuous or detracting from the professional appearance while in uniform.
 7. **Faddish.** A style followed for a short period of time with exaggerated zeal. Styles are enduring; fads are generally short in duration and frequently started by an individual or event in the civilian community. Fads are generally conspicuous and detract from a professional appearance.
 8. **Optional Items.** Uniform items which may be worn with the basic uniform, but which are not prescribable. Optional items may be worn with the basic uniform at the individual's discretion unless otherwise directed.
 9. **Phase-Out.** Discontinue wear, no longer issued or authorized.
 10. **Prescribable Items.** Uniform items which may be directed or authorized for wear with the basic uniform. Prescribable items may be worn with basic uniform at the individual's discretion unless otherwise directed.

1502 **REGULATION CLOTHING AND INSIGNIA**

1. **Label**. Uniform clothing, equipment and accessories issued or sold through the Navy Supply System are labeled accordingly as regulation issue.
2. **Certification**. All other uniform components and accessories will conform to the specifications for regulation items. The purchaser is responsible for ensuring that each garment meets approved specifications. Garments should have a label that certifies them to be regulation.
3. **Commercial Resources**. In the cases of smaller cadets, uniform components acquired from commercial sources should conform to all military specifications regarding style, and appearance. The purchaser is responsible for ensuring that each garment meets approved specifications.
4. **Insignia**. NSCC insignia is procured commercially from the sole-source providers contracted by National Headquarters. These are the only source for official NSCC insignia.

1503 **UNIFORM REVIEW**. The Executive Director is responsible for reviewing NSCC uniform matters, with input from the field, to evaluate suitability of current uniforms and those proposed for replacement. At the Executive Director's discretion uniforms may be phased-out or new and/or replacement uniforms authorized and incorporated into this manual that are required or developed by the U. S. Navy.

 4. CLEANING.....2104
-

2100 GENERAL INFORMATION

- 2101 **GENERAL.** **The primary consideration is to have a neatly groomed appearance while wearing the NSCC uniform.** Grooming standards are based on several elements including neatness, cleanliness, safety, military image and appearance. The standards established herein are not intended to be overly restrictive, or to isolate NSCC personnel from society. The limits set forth are reasonable and ensure that personal appearance contributes to a favorable military image. NSCC male and female grooming policies recognize the difference between the sexes, and establish appropriate grooming and personal appearance standards for male and female officers and cadets.

2102 SMARTNESS

1. **Image.** NSCC personnel must set and maintain the highest possible standards of smartness in uniform appearance. The military image reflected by attention to detail in wearing of the uniform is a key element in the positive public image of the NSCC.
2. **Cleanliness.** Uniforms shall be kept scrupulously clean and pressed, with lace, devices and insignia bright and free from tarnish and corrosion.
3. **Articles**
 - a. **No article shall protrude from or be visible on the uniform,** including such items as: pencils, pens, watch chains, key chain fobs, pins, jewelry, combs, large wallets, personal music devices, headphones, cigars, cigarettes, pipes, or similar items (Jewelry, tie clasps, cuff links, shirt studs and earrings shall be worn as prescribed elsewhere in these regulations). Communication devices issued for official business may be worn on the uniform in the manner prescribed below:
 - 1) Working and service uniforms: one wireless communications device (e.g., cell phone, personal digital assistant (PDA), pagers, etc.) may be worn on the belt, on either side of the body, aft of the elbow. Devices will not be visible from the front and worn in such a manner as to impede the normal wear and appearance of the uniform (e.g., sagging, bunching, etc.).
 - 2) Service dress and above uniforms: wireless communication devices are not to be worn in such a manner as to be visible (i.e., front, side or rear, bulging, or protruding) when wearing dress uniforms.
 - 3) Use of these devices will not interfere with the proper rendering of military courtesies and honors.

- 4) Whenever there is a concern for operations security at drill locations or training sites, the authorized wearing of these devices will be at the host commanding officer's discretion.
- b. Civilian bags such as computer bags, briefcases, gym bags, backpacks, garment bags, etc., (not including women's handbags/purses) may be worn with the working and service uniforms as prescribed in the manner below:
 - 1) May be worn across the left shoulder of service uniforms. When wearing a bag, the strap must be worn across the left shoulder (fore and aft) with the bag hanging to the left of the body. The strap on the bag must not be worn on the opposite sides of the body (diagonally). Backpacks may also be worn over both shoulders when wearing the working uniforms such as Utilities, Navy Working Uniform and Camouflage Utility Uniform.
 - 2) All bags worn with the uniform must conceal its contents and be either solid black or navy blue in color. There shall be no personal ornamentation attached on or to the bag.
 - 3) While in dress uniform, civilian bags will be hand carried only.
4. **Glasses**
 - a. **Prescription Glasses**. No eccentric or faddish glasses are permitted.
 - b. **Sunglasses**. Conservative sunglasses are permitted, except in military formations.
 - c. **Retainer Straps**. Retainer straps are authorized. If required, they shall be plain, black and worn snugly against the back of the head.
 - d. **Contact Lenses**. Tinted contact lenses must be a natural color (blue, green, brown, etc.).
5. **Undergarments**. Appropriate undergarments shall be worn to preserve the dignity and appearance of the uniform. Male and female personnel shall wear white undergarments when wearing any of the white uniforms.
6. **Shoe Shine**. Dirt and other debris can easily embed into leather. Therefore, your shoes or boots need to be cleaned before polishing. Use a damp cloth to remove excess dirt and debris. To polish your shoes effectively, always remove the shoelaces from your shoe before you start polishing your shoes. This is the best way to get to clean the tongue of the shoe and avoid staining the laces. Shoe polish or creams should be applied evenly with a brush or soft cloth. Once the polish has properly dried, simply buff to a brilliant shine using a natural bristle brush. Note: it is important to use a separate brush and cloth for applying and buffing different colored shoes. Patent leather shoes should be cleaned with a damp cloth and buffed with a dry cloth.
7. **Tailoring of Uniforms**. Uniforms may be tailored to provide a well-fitting, professional military bearing. They shall not be altered to the extent of detracting from a military appearance, nor shall they be tailored to the point of presenting a tight form fit. This is especially important when fitting smaller cadet uniforms.

8. Military Creases

FRONT

BACK

Military creases are formed by pressing two vertical creases in the front of the shirt, from the shoulder seam through the center of each pocket to the bottom of the shirt, and three evenly spaced vertical creases in the back of the shirt, from the yoke seam to the bottom of the shirt. For shirts which do not have a yoke seam across the back as a reference point for placing three evenly spaced creases, start the outboard creases at the shoulder seam and the center crease at the seam where the collar is attached to the shirt, ending all at the bottom of the shirt.

FIGURE 2-1-1 MILITARY CREASES

9. **Neckerchief.** The black silk neckerchief is worn by NSCC male and female cadets with all jumper-style tops. Wear the rolled neckerchief with a large square knot, tied at the bottom of the V-neck opening of jumper, with ends of the neckerchief even. The upper edge of the knot should be even with point where the collar opens.

FIGURE 2-1-2 TYING OF THE NECKERCHIEF

10. **Necktie.** The necktie is worn by NSCC and NLCC male personnel with the winter blue uniform, by NSCC male chief petty officers, midshipmen and officer with the dress blue uniform, and by members in the alternate dress uniform. The necktie can be tied either in the Four-in-Hand, Half Windsor, or Full Windsor knot.

11. **Sleeve Rolling**. Sleeves may be rolled, during times of warm weather on the Camouflage Utility and Navy Working Uniforms.
 - a. **Camouflage Utility Uniforms**. Sleeves may be rolled up at the option of local commanders. When authorized, sleeves will be rolled with the inside out, forming a roll approximately 3 inches wide, and terminating at a point approximately 2 inches above the elbow.
 - 1) Lay the uniform on a flat surface, face up and sleeves extended out. Button the button at the end of the sleeve to the largest setting.
 - 2) Roll the sleeve inside-out in three inch rolls upwards for five to seven rolls, depending on arm length and roll is approximately 2 inches above elbow.
 - b. **Navy Working Uniform**. Sleeves may be rolled up at the option of local commanders. When authorized, sleeves will be rolled with the inside out, with the cuff folder over, forming a roll approximately 3 inches wide, and terminating at a point approximately 2 inches above the elbow.
 - 1) Lay the uniform on a flat surface, face up and sleeves extended out, with the button at the end of the sleeve unbuttoned.
 - 2) Flip the sleeves inside-out by folding the cuffs of the sleeve up towards the armpit area. Pull it up until it almost touches the inside seam of the armpit region.
 - 3) Roll the bottoms of the inside-out sleeves in three inch rolls upwards until you reach the cuffs.
 - 4) Fold the end of the cuff down over the rolled portion of the sleeve.
 - 5) Secure the button and flap. Repeat on opposite sleeve.

FIGURE 2-1-4 SLEEVE ROLLING

2103 **CARE OF THE UNIFORM**

1. **General**. Long service life of the various uniform articles can be attained only by proper care and maintenance. Even new, properly fitted uniforms will not continue to look their best or keep their shape unless you care for them properly. Uniforms should be stored on hangers. If uniforms are to be stored for a long time, they should be cleaned thoroughly, then packed away in an airtight plastic bag with a packet of desiccant (drying agent which is obtainable in many of the large chain department stores).

2104 **CLEANING**

1. **Buttons**. Buttons may turn green when the pewter plating wears off and the copper base becomes covered with green copper verdigris due to exposure to moist air. You can remove verdigris by rubbing gently with acetic acid or any substance containing this acid such as vinegar or Worcestershire sauce, followed by a thorough washing in clean water.
2. **Embroidered Insignia**. Embroidered insignia may be kept bright by occasional scrubbing with a nail brush and a diluted ammonia solution. Do this as soon as there are signs of tarnish or corrosion. If corrosion has been allowed to continue after it has gained a foothold, the device may need to be replaced.
3. **Gold Lace**. Gold bullion lace will tarnish rapidly and may deteriorate when in contact with or hung near any substance containing sulphur, such as rubber or ordinary manila or kraft wrapping paper. Gold bullion lace should be cleaned by an experienced tailor although liquid non-toxic preparations and certain liquid cleaners available commercially may be used if applied according to manufacturer's instruction.
4. **White Piping**. White piping on dress uniforms will soil easily after repeated wear. Dry-clean clothing item or clean with a stiff brush and light non-bleach based cleaner.
5. **Metal Insignia**. Clean the gold filled and sterling silver rhodium finished parts of metal insignia by washing with soap and water. **Insignia will not be polished as to deface, remove, or alter their general appearance.**

2200 PERSONAL APPEARANCE

2201 **GENERAL.** Hair, grooming, and personal appearance while in the military (Navy-style) or Alternate Uniform shall present a neat and professional appearance. Because it is impossible to provide examples of every appropriate or unacceptable hairstyle or of "conservative" or "eccentric" grooming and personal appearance, the good judgment of leaders at all levels is the key to enforcement of NSCC grooming policy. The provisions of this section apply to all enrolled NSCC personnel (adults and cadets).

2202 HAIR

1. Males

- a. **General.** Hair will be neat, clean and present a well-groomed appearance. Hair above the ears and around the neck shall be tapered from the lower natural hairline upwards at least 3/4 inch and outward no greater than 3/4 inch to blend with the hairstyle. Hair on the back of the neck may not touch the collar. The "blocked neckline" is permitted as long as a tapered appearance is maintained. Hair shall be no longer than 4 inches and groomed so that it does not touch the ears or collar, extend below the eyebrows when headgear is removed, show below the front edge of the headgear, nor interfere with the proper wearing of military headgear. Bulk of the hair shall not exceed 2 inches. Bulk is defined as the distance that the mass of hair protrudes from the scalp when groomed (as opposed to the length of the hair). Hair coloring must look natural and complement the individual. Faddish styles and outrageous multicolored hair are not authorized. The primary consideration remains a neatly groomed appearance for the hairstyle and the type of hair that the individual has, with 4 inches length and 2-inch bulk the maximum under any circumstances.
- b. **Bulk.** Military headgear shall fit properly and in no case shall the bulk or length of hair interfere with the proper wearing of any military headgear.
- c. **Taper.** The unique quality and texture of curled, kinked, waved and straight hair is recognized, and in some cases the 3/4-inch taper at the back of the neck may be difficult to attain. In those cases, hair must present a graduated appearance and may combine the taper with a line at the back of the neck.

- d. **Part.** One (cut, clipped or shaved) natural, narrow, fore-and-aft part is authorized.
- e. **Styles.** Varying hair styles, including afro, are permitted provided these styles meet the criteria of maximum length and bulk, tapered neck and sides, and do not interfere with the proper wearing of military headgear. Plaited or braided hair shall not be worn while in uniform. Faddish and outrageous multi-color hair is not authorized. Exaggerated styles, including those with excessive fullness or extreme height, are not authorized.
- f. **Sideburns.** Sideburns (if worn) shall be neatly trimmed and tapered in the same manner as the haircut. Sideburns shall not extend below a point level with the middle of the ear, shall be even width (not flared) and shall end with a clean-shaven horizontal line. "Muttonchops," "ship's captain" or similar grooming modes are considered to be merely elongated sideburns and thus are not authorized.

----- INDICATES SCALP LINE. Sideburns shall not extend below a point level with the middle of the ear, as indicated by line "A". When a mustache is worn it shall not:

-- Go below a horizontal line extending across the corner of the mouth as indicated by line "B".

-- Extend more than 1/4 inch beyond a vertical line drawn upward from the corners of the mouth as indicated by line "C".

-- Protrude below the lip line of the upper lip as indicated by line "D".

FIGURE 2-2-1 MALE GROOMING STANDARDS

2. Females**a. Acceptable Hairstyle Criteria**

- 1) Hairstyles and haircuts shall present a professional and balanced appearance. Appropriateness of a hairstyle shall be evaluated by its appearance when headgear is worn. All headgear shall fit snugly and comfortably around the largest part of the head without distortion or excessive gaps. Hairstyles will not interfere with the proper wearing of headgear, protective masks or equipment. When headgear is worn, hair shall not show from under the front of the headgear, with the exception of the Beret. Hair (including bun) is not to protrude from the opening in the back of the ball cap.
- 2) Lopsided and extremely asymmetrical hairstyles are not authorized. Angled hairstyles will have no more than a 1-1/2 inch difference between the front and the back length of hair. Layered hairstyles are authorized provided layers present a smooth and graduated appearance.
- 3) Hair length, when in uniform, may touch, but not fall below a horizontal line level with the lower edge of the back of the collar. With jumper uniforms, hair may extend a maximum of 1-1/2 inches below the top of the jumper collar. Long hair, including braids, shall be neatly fastened, pinned, or secured to the head. When bangs are worn they shall not extend below the eyebrows. Hair length shall be sufficient to prevent the scalp from being readily visible (with the exception of documented medical conditions).
- 4) Hair bulk (minus the bun) as measured from the scalp will not exceed 2 inches. The bulk of the bun shall not exceed 3 inches when measured from the scalp and the diameter of the bun will not exceed 4 inches. Loose ends must be tucked in and secured.
- 5) Hair, wigs, and/or hair extensions must be of a natural hair color (i.e. blonde, brunette, brown, red, gray, or black). Hair extensions/pieces must match the current color of the hair. Wigs, hairpieces and extensions shall be of such quality and fit so as to present a natural appearance and conform to the grooming guidelines listed herein. Tints and highlights shall result in natural hair colors and be similar to the current base color of the hair.

b. Hairstyles. Hairstyles shall not detract from a professional appearance in uniform. Styles with shaved portions of the scalp (other than the neckline), those with designs cut, braided, or parted into the hair, as well as dyed using unnatural colors are not authorized. The unique quality and texture of curled, waved and straight hair are recognized. All hairstyles must minimize scalp exposure. While this list shall not be considered all inclusive, the following hairstyles are authorized.

- 1) Three strand braids and two strand braids (also referred to as twists) are authorized. Braided hairstyles shall be conservative and conform to the guidelines listed herein.

- 2) Multiple braids. Multiple braids consist of more than 2 braids and encompass the whole head. When a hairstyle of multiple braids is worn, each braid shall be of uniform dimension, small in diameter (no more than 1/4 inch), and tightly interwoven to present a neat, professional, well groomed appearance. Foreign material (e.g., beads, decorative items) shall not be braided into the hair. Multiple braids may be worn loose, or may be pulled straight back into a bun, within the guidelines herein.
 - 3) Two individual braids. One braid worn on each side of the head, uniform in dimension and no more than one inch in diameter. Each braid extends from the front to the back of the head near the lower portion of the hair line (i.e., braids are closer to the top of the ear than the top of the head to prevent interference with wearing of headgear). A single French braid may be worn starting near the top of the head and be braided to the end of the hair. The end of the braid must be secured to the head and braid placement shall be down the middle of the back of the head.
 - 4) Corn rows. Must be in symmetrical fore and aft rows, and must be close to the head, leaving no hair unbraided.* They must be no larger than 1/4 inch in diameter and show no more than approximately 1/8 inch of scalp between rows. Corn row ends shall not protrude from the head. Rows must end at the nape of the neck and shall be secured with rubber bands that match the color of the hair. Corn rows may end in a bun conforming to the guidelines listed herein, if hair length permits.
 - 5) Rolls. Two individual rolls, one on each side of the head, must be near the lower portion of the hair line (i.e., rolls are closer to the top of the ear than the top of the head and will not interfere with wearing of headgear). Rolls must be of uniform dimension and no more than one inch in diameter.
- c. **Hair Accessories.** When hair accessories are worn, they must be consistent with the hair color. A maximum of two small barrettes, similar to hair color, may be used to secure the hair to the head. Bun accessories (used to form the bun), are authorized if completely concealed. Additional hairpins, bobby pins, small rubber bands, or small thin fabric elastic bands may be used to hold hair in place, if necessary. The intent is for pinned-up hair to be styled in a manner that prevents loose ends from extending upward or outward from the head. For example, when using barrettes or hairpins, hair will not extend loosely from the head; when hair is in a bun, all loose ends must be tucked in and secured. Hair accessories shall not present a safety or foreign object damage hazard. Hair nets shall not be worn unless authorized for a specific type of duty. Headbands, scrunchies, combs, claws and butterfly clips, are examples of accessories that are not authorized; this list is not to be considered all inclusive.
- d. **Unauthorized Hairstyles.** While this list shall not be considered all inclusive, the following hairstyles are not authorized: ponytails; pigtails; braids that are widely spaced and/or protrude from the head; and locks. Locks, also called dreads, are fused or coiled strands of hair such that they cannot easily be combed out.

- e. **Grooming Standards Exception.** During group command/unit physical training, commanding officers are authorized to standardize unit policy for the relaxation of female hair grooming standards with regard to having hair secured to the head (e.g., ponytails). Hair restraining devices, if worn, will be consistent with the current hair color.
- f. **Examples.** Images of authorized hairstyles may be viewed via the link provided on the NSCC Homeport under Uniform Regulations.

----- INDICATES SCALP LINE. Hair shall not extend below a point level with the lower edge of the collar, as indicated by line "A".

FIGURE 2-2-2 FEMALE GROOMING STANDARDS

1. **Cadets**. Male cadets shall be clean-shaven. Discretion should be used with younger cadets or those with religious convictions.
2. **Officers, Midshipmen, and Military Uniformed Instructors**. Those members of the NSCC Officer Corps who wear the military style uniform may wear mustaches. If worn mustaches will be kept neat, closely trimmed and no portion shall extend below the lip line of the upper lip in accordance with Section 2202. NSCC Officers and Midshipmen who wear the Alternate Uniform due to weight or health issue must conform to the grooming standards of this paragraph. The wearing of the Alternate Uniform to avoid having to conform to grooming standards is not authorized.
3. **Non-Military Uniform Instructors and Auxiliary Members**. Instructors who wear the Alternate Uniform, and members of the Auxiliary may wear beards, sideburns, or mustaches. If worn, facial hair will be neatly groomed and trimmed at all times in order not to present a ragged appearance.
 - a. **Mustaches**. Mustaches will be neatly trimmed so as not to present a ragged appearance. Handlebar mustaches or other eccentric styles should be avoided.

FIGURE 2-2-3 MUSTACHE STYLES

- b. **Sideburns**. Sideburns will be neatly trimmed and even, but may extend beyond the center of the ear. Muttonchops, or other eccentric styles should be avoided.

FIGURE 2-2-4 SIDEBURN STYLES

- c. **Beards**. As specified in Section 2203, full and partial beards, van dykes, and goatees are authorized. If worn, the bulk of the beard (distance that the mass of facial hair protrudes from the skin on the face) shall not exceed 1 inch. The length of individual hair shall be limited to 1 1/2 inches. Patches and spotty clumps of facial hair are not considered beards; such presents an unshaven appearance and therefore not authorized.

**FIGURE 2-2-5 BEARD STYLES**

- d. **Safety**. The wearing of beards and mustaches shall not interfere with the operation of oxygen masks, gas masks, or other safety/survival gear. As such, the wearing of beards and moustaches may be prohibited for those participating in certain training evolutions.
- e. **Authority**. The wearing of a beard by officers, midshipmen, or instructors wearing the military uniform for a medical reason requires a waiver which must be approved by the Executive Director, who will provide the grooming standards if a waiver is granted. COs/COTCs will dictate grooming standards or eligibility to participate in evolutions where safety is an issue for those members authorized to wear a beard.
- 2204 **HAIRPIECES**. Wigs or hairpieces shall be of good quality and fit, present a natural appearance and conform to the grooming standards set forth in these regulations. They shall not present a safety or FOD hazard.
1. **Males**. Hairpieces meeting male grooming standards are authorized for wear by NSCC officer, midshipmen, or instructor personnel while in uniform or duty status. Male cadets should only wear a hairpiece when it is a medical necessity.
 2. **Females**. Wigs or hairpieces meeting female grooming standards are authorized for wear by NSCC officer, midshipmen, or instructor personnel while in uniform or duty status. Female cadets should only wear a wig or hairpiece when it is a medical necessity.
- 2205 **COSMETICS**. Cosmetics shall be applied in good taste so that colors blend with natural skin tones and enhance natural features. Exaggerated or faddish cosmetic styles are not authorized. Lipstick colors shall be conservative and complement the individual. Long false eyelashes are not authorized. Male personnel are not authorized to wear cosmetics unless for medical reasons.

2206 **FINGERNAILS**

1. **Males**. Fingernails shall not extend past fingertips. They shall be kept clean.
2. **Females**. Fingernails shall not exceed 1/4 inch measured from the fingertip. They shall be kept clean. Nail polish may be worn, but colors shall be conservative and complement the skin tone.

2207 **JEWELRY**

1. **Rings**. While in uniform, only one ring per hand is authorized, plus a wedding/engagement ring set. Rings are not authorized for wear on thumbs.
2. **Earrings**

Earrings shall be 4mm - 6mm ball (approximately 1/8 - 1/4 inch), plain with shiny or brushed matte finish, screw on or with posts. Gold for officers, midshipmen, instructors, and chief petty officers, and silver for NSCC/NLCC cadets PO1 and below.
3. **Body Piercing**. Not authorized while in uniform. No articles, other than earrings for women specified above, shall be attached to or through the ear, nose, or any other body part. Additionally, body piercing is not authorized in civilian attire when in a duty status or while in/aboard any ship, craft, aircraft, or in any military vehicle or within any base or other place under military jurisdiction.
4. **Necklaces/Choker**. While in uniform, only one single-strand necklace, conservative in nature, may be worn and shall not be visible; choker necklaces and necklaces that are the large multi-strand or gel-type branded collar variety are not authorized.
5. **Wristwatch/Bracelets**. While in uniform, only one of each may be worn. Ankle bracelets are not authorized while in uniform.

2208 **TATTOOS, BODY ART & BRANDING**. Tattoos/body art/brands located anywhere on the body that are prejudicial to good order, discipline, and morale or are of a nature to bring discredit upon the NSCC are prohibited. For example, tattoos/body art/brands that are obscene, sexually explicit, and or advocate discrimination based on sex, race, religion, ethnic, or national origin are prohibited. In addition, tattoos/body art/brands that symbolize affiliation with gangs, supremacist or extremist groups, or advocate illegal drug use are prohibited. Tattoos, body art, or brandings on cadet personnel are strictly prohibited.

2209 **MUTILATION**. Intentional mutilation of any part of the body is prohibited. Mutilation is defined as the intentional radical alteration of the body, head, face, or skin for the purpose of and or resulting in an abnormal appearance. 1. **Tattoos**. Those adult members with authorized tattoos should limit their size to one per arm, and no larger than can be concealed by the flat of the hand.
 2. **Grooming Standards**. Under certain compelling reasons an adult can request a waiver to the Grooming Standards. If approved the adult will be enrolled as an Instructor, will wear appropriate civilian attire, in accordance with Chapter SEVEN, and will be restricted to unit drill site activities.
- 2212 **NON-WAIVERABLE CONDITIONS**. All cases where visible tattoos, body art, or brandings are considered obscene, sexually explicit, and or advocate discrimination based on sex, race, religion, ethnic, or national origin are non-waiverable and member should not be enrolled in the NSCC program or separated for cause at the earliest opportunity.

While there is no minimum number of uniforms required to be in their possession, sufficient quantities of uniform items shall be maintained to ensure high standards of personal hygiene and appearance. Seabags should be inspected at seasonal changeovers and prior to departure for recruit and/or advanced trainings.

Markings shall be a stencil consisting of owner's surname and last four digits of owner's social security number placed inside the garment, unless directed otherwise. Stencil letters shall be approximately 3/8 inch high blocked letters. Markings shall be black on white uniforms, and white on blue/black uniforms. Blue utility shirts shall be marked in black. Blue working jackets and utility trousers shall be marked in white.

3105 NAME TAPES

1. Surname. The embroidered name tape with surname sewn over right breast pocket on working uniforms and jackets and sewn over right rear pocket on all working trousers shall be approximately 1/2 inch blocked letters.
2. USNSCC/USNLCC. Working uniforms are required to have "USNSCC" or "USNLCC" on a tape worn approximately 1/4 inch, centered side to side, sewn over the wearer's left breast pocket.

- d. **Command Badges**. Will be worn as outlined in Section 5101.

Note: Refer to NSCC/NLCC Awards Manual, Chapter FIVE for listing of authorized Breast Insignia.

3106 **TRANSFER OF CLOTHING**. No transfer or exchange of a member's uniform items shall be made without the commanding officer's authorization. When such transfers or exchanges are authorized, member's records should document such transfers for accountability purposes. Members should return all items that no longer fit or are used to unit supply stores for reissue.

3107 **RESTRICTIONS**. All NSCC/NLCC personnel shall maintain required uniforms and are forbidden to wear other than the authorized uniform or insignia of their respective grade, corps, or rating, or to wear decorations, medals, badges, or ribbons in any way other than that prescribed.

3108 **NON-AVAILABILITY OF FEMALE UNIFORM ITEMS.** Navy Uniform Shops are available to order "special fit" uniforms for females. In the event that special ordering of uniform items is not practical or too expensive, NSCC/NLCC females are authorized to wear the following male uniform items:

1. **Allowable items:**

- a. Outer garments, including overcoats, all-weather coats, peacoats, reefers, jackets and sweaters.
- b. Shoes (service and safety)
- c. Rating Badges
- d. Belts and Buckles
- e. Utility Shirts and Trousers
- f. Khaki Shirts and Trousers

2. **Notes.** The wear of these items is optional and they may continue to be worn as long as serviceable. Wear of khaki and utility uniforms require the shirt/trousers combinations to match in order to maintain proper gig line, i.e. male shirt with male trousers and female shirt with female trousers.

3200 OFFICER UNIFORMS

3201 GENERAL NOTES

1. Uniform of the Day. Section 1200 outlines the authority for the prescribed uniform of the day, based on local command authority, safety considerations and climatic considerations.
2. Required Uniforms. While Section 1202 delegates prescribed uniform requirements to the local command authority, the following uniforms should be considered a minimum for participation as an officer in the Naval Sea Cadet Corps.
 - a. Dress Blues
 - b. Summer Whites
 - c. Service Khakis
3. Optional Uniforms. These uniforms are optional, and may be required to participate in additional activities or training evolutions as an officer in the Naval Sea Cadet Corps. While a member is not required to maintain a set of those items listed, they are included to provide guidance for wear in case the need arises, member chooses to obtain, or safety of personnel dictates the wearing of the referenced uniform.
 - a. Winter Blues
 - b. Navy Working Uniform
 - c. Camouflage Utility Uniform
4. Uniformity. Uniformity is paramount. Personnel will wear the appropriate uniform for the occasion. It is unprofessional to wear working uniforms to ceremonies, parades, public appearances, or when Cadets are in dress uniforms.
5. Safety and Comfort. Uniforms prescribed for wear should be selected when all issues in regards to member safety and comfort have been reviewed and considered.

 - a. NLCC Summer Dress
 - b. NLCC Winter Dress
 - c. NLCC Working Uniform
3. **Optional Uniforms.** These uniforms are optional, and may be required to participate in additional activities or training evolutions as a cadet in the Navy League Cadet Corps.  - a. Utilities
 - b. Navy Working Uniform
 - c. Camouflage Utility Uniform
4. **Procurement.** While official uniform components are preferred, due to the inherent smaller sizes of NLCC Cadets, uniforms items may be procured commercially to meet special needs where tailoring of official uniforms would be cost prohibitive.
