PLAN

Planned Maintenance * Priority Emergency Service * Labor For One Year

Planned Maintenance - Two maintenance calls each year - one each heating and cooling season.
Purpose: to inspect and to advise you of any needed repair. (No repairs are made without your approval)
To prevent breakdown, ensure safe operation and maintain efficiency

Priority Emergency Service - In the event of a breakdown, our repair department will respond to your call as a priority service call. We respond to our service plan policy customers first.

Labor For One Year - You only pay for parts and materials needed to repair your unit, supplied by Wilson Heating.

Accessory Coverage - Humidifiers, electronic air cleaners, media filters, and programmable thermostats, and UV lights may be covered under the silver service plan for an additional charge.
