Bus Riding Tips:

- EZ-Connect is a commuter service with limited stops. Be at the nearest bus stop at least 5 minutes before the bus is due to arrive so you are sure not to miss it.
- Have the exact change, a ticket, or pass ready when boarding the bus. Bus operators do not make change.
- About one block before your stop, pull the cord to let the operator know you want off the bus.
- If you are at the Airport let the operator know you want to make a deviation in the airport complex before or after the air terminal stop. The operator will accommodate your request as time permits
- Remain seated until the bus comes to a complete stop. Tell the operator if you need to unload your bicycle from the bicycle rack.
- Always cross the street at the nearest crosswalk.
- You may only bring items on the bus that you can reasonably carry in your arms or that fit in a small cart.
