I appreciate locally grown produce and want to ensure that it remains available in New Jersey by becoming a shareholder in Central Valley Farm LLC community supported agriculture. I understand that the Central Valley farmers will do their best to provide the farm fresh produced vegetables they propose at the time they estimate.

However, as a shareholder in both bounty and risk, I understand that nature ultimately decides what I receive and when I will receive it.

I have read and understand the shareholder agreement. I also understand that I enter onto the property of Brian and Bobbie Huff at my own risk. The property owners and their employees will not be responsible for any property or physical damages incurred to me or my guests.
