

FOR IMMEDIATE RELEASE

HERBAN ROMANCE: A CANNABIS + SENSUALITY SENSORY DINING EXPERIENCE

SAN FRANCISCO, CA, January 18, 2018/ Russian River PR/ As a member of the Local Bay Area Press, you're invited to join us for an evening in San Francisco for Herban Romance—A Cannabis and Sensuality Sensory Dining Experience hosted by [TSO Sonoma](#) on February 14th.

Immersed in TSO's signature refined atmosphere, Herban Romance guests will journey through the intersection of cannabis and sensuality through a series of sensory pairings, Nyotaimori hors d'oeuvres, CBD infused specialty cocktails, custom oil blend bar, and a gourmet three-course fine-dining meal.

TSO Sonoma's curated portfolio of artisans create an unforgettable experience of exquisite craft cannabis, the finest wines, and world-class cuisine. Conversation and community are cultivated by presenting the importance of sustainable practices: from farming to consumption. Collectively introducing guests to a new era of cannabis and modern wellness.

"The event is about inspiring connection through cannabis and exciting your senses," explains Devika Maskey, CEO and Founder of TSO Sonoma."

TSO Sonoma has partnered with the bevy of progressive and enlightening brands for our Herban Romance event. Cannabis and wine sensory pairings will feature effect-based luxury cannabis company, [CannDESCENT](#), to elevate and connect. CannDESCENT is focused on helping adults to transform their lives with exceptional cannabis products and curated personalized experiences to compliment every lifestyle.

Members of the Press are invited and can RSVP to devika@tsosonoma.com
Other featured brands include:

[Chronvivant](#)—CBD Infused Cocktails. Created for the modern apartment bartender and gourmet home chef, Chron Vivant features artisanal recipes for the manufacture of cannabis cordials, liquors, small-batch syrups, and other potent potables.

[by Kiskanu](#) —Custom oil blend bar highlighting their sensual oil. Located in Northern Humboldt, our family owned and operated business benefits from over 20 years of experience in the cannabis industry. This knowledge is reflected in the quality and consistency of our hand crafted, small-batch skin and body products. We use premium organic whole plant extracts in a base of cold-pressed, virgin, organic oils. We are committed to supporting organic farming methods, sustainable practices, organic ingredients, and offering safe, lab-tested products to our community.

[OM Edibles](#) — CBD award winning raw cocoa and lavender bath salts. Om Believes when Cannabis is combined with other healing herbs and superfoods its medicinal value is greatly increased.

[Sensi Magazine](#) — Media Partner.

TSO Sonoma's Herban Romance is being held in San Francisco, CA on February 14th, from 6-9pm. This intimate and exclusive reception, one in a series of Elevated Events, is sure to change the expectations regarding cannabis events.
