

RPQG January Workshop

Valentine Table Runner

Supply List

1. 1 yard of “feature fabric” for your borders and sashings. This will also be enough for your backing if you don’t mind piecing.
2. 1/2 yard of background fabrics. (The blocks behind the hearts.)
3. Enough 2 1/2” wide assorted scraps to make three (3) 8” x 15” squares. (See picture above.). This is to make the 3 hearts.
4. Stabilizer for the backs of your hearts.
4. Optional – 1 package of rickrack to trim the hearts. If you prefer, you can appliqué them to the background fabric.
5. Sewing machine, matching threads, scissors, seam ripper (not that any of us will need a seam ripper), ruler, rotary cutter, etc.

Bring a bagged lunch or some munchies and a beverage. We will take a brief lunch break before starting our project.
