In celebration of Donna Quitadamo's retirement, Nelson Place Elementary School in Worcester is sponsoring an event to benefit her beloved Hole in the Wall Gang Camp. An elementary school teacher for 41 years, she spent the past 30 years working for the Worcester Public Schools at Nelson Place. Miss Quitadamo has shared her passion for helping the Camp with her students and their families over the years and they were inspired to undertake many fundraising events and to collect much needed items for the Camp and the many children that it serves.

Founded in 1988 by Paul Newman, The Hole in the Wall Gang Camp provides "a different kind of healing" to more than 20,000 seriously ill children and their family members annually – all completely free of charge. For many of these children and families, Hole in the Wall provides multiple Camp experiences throughout the year at the facility in Ashford, Conn., in more than 40 hospitals and clinics, directly in camper homes and communities, and through other outreach activities across the Northeast.
