

Technology Benchmarks

- With teacher support, demonstrate beginning steps in using available hardware and applications (e.g., turn on a computer, launch a program, use a pointing device such as a mouse).
- With teacher support, explain that icons (e.g., trash, folder) are symbols used to signify a command, file, or application.
- With teacher support, identify, locate, and use letters, numbers, and special keys (e.g., space bar, shift, delete) on the keyboard.
- With teacher support, utilize the functions of basic file menu commands (e.g., New, Open, Close, Save, Print).
- With teacher support, use an application to write/draw, edit, print, and save simple assignments.
- With teacher support, insert and size a graphic in a word/image processing document.
