

Project Learning Tree Workshop and Certification

For Pre-K through 8th Grade Teachers

Project Learning Tree (PLT) is a nationally recognized, award-winning environmental education program designed for teachers and other educators, parents, and community leaders working with youth from Pre-K through Grade 12. The program uses trees and forests as windows on the world to help students learn environmental content that correlates with national and state standards. It strengthens their critical thinking, team-building and problem-solving skills through fun, engaging, and hands-on activities.
