NB. Each 'Incident' represents a contact report made to the Police via email, 101, 999, <https://www.gloucestershire.police.uk/contact-us/report-a-crime-or-incident/> , F2F with an officer, or at Stow on the Wold Police Station Reception. This being the case, it may be that a single event generates a number of incidents. An example of this could be a single vehicle losing control and damaging a number of properties which could result in a number of 'Criminal Damage' incidents.

Crime:

Although the average daily number of Crime related incidents has only risen from 0.025 per day in 2017/2018 to 0.038 per day in 2018/2019, the increase in "Burglary dwelling" incidents is of major concern. One possible explanation for this rise in burglaries may be related to the drop in reports of suspicious activity suggested by fall in "Public Safety" incidents from 0.063 per day in 2017/2018 to 0.038 per day in 2018/2019. Reports of suspicious activity from the community, as and when it is taking place, is of vital importance in both deterring and apprehending burglars.

General:

Notwithstanding the above, the following table comparing the average daily number of each type of incident suggests Naunton remains amongst the safest parishes in the County:

	Admin	ASB	Crime	Public Safety	Road/Traffic
2017/2018	0.008	0.014	0.025	0.063	0.033
2018/2019	0.022	0.008	0.038	0.038	0.038

Please rest assured that your Neighbourhood Policing Team in the North Cotswolds continues to take the concerns of the community, together with those of every victim seriously, and endeavours to provide the best service possible; however this must be within the resourcing constraints under which they have to operate.

We will not be able to attend every meeting we are invited to and on some occasions may have to cancel meetings providing little or no notice due to the nature of Emergency service demands. We will however always provide a Police Report which is designed to provide clear and simple information which can be shared with all those present at the meeting.

If questions are raised by those present please note the email addresses of both Beat Managers and PCSOs covering your area. We will be happy to address any concerns you have or that are raised during the meeting.

We will endeavour to attend as many meetings as we can but the new format of police Report combined with an up to date list of contact details will be provided for occasions we are not present.
