Dust off the board games, fill up your DVR's, and get outside this summer...it's another long offseason, hockey fans!

It was an interesting 2015-16 season for the Rampage Booster Club as we welcomed a new team/affiliation, a new set of officers, introduced new group events and were assigned a new table location at the AT&T Center. We want to thank everyone this season for your efforts, support, and continued dedication to expanding hockey in the local community!

During the April meeting, the Booster Club held new committee elections. Each term will last two years and be up for re-election at the monthly meeting of April 2018. They are as posted below.
