CHIEF'S CHATTER

I've been told that the Club Christmas party was a great time. The food was excellent and the magician was amazing. A good time was had by all that evening.

As I come to the end of my term as President, I want to thank everyone who stepped up and volunteered to take on a particular task when needed. It makes it enjoyable to work with people who pitch in and help when the opportunity arises.

We have another fun year coming up. With new activities and interesting places to go.

I want to take this opportunity to wish the Snowbirds a safe trip south and we are anxious to have you back in the spring.

If you have a project to do on your car don't put it off till later. I started to work on "Ida" and found she had a badly cracked exhaust manifold. They are hard to find! At least I have all winter to try and locate one. They used the same manifold in 1939 and 1940. If anyone has a lead on one let me know.

Enough of my rambling on. I wish everyone a Happy New Year!

Ron
