Praise His Name! God bless you and thank you for supporting our ministry! Please pray for **BOLDED** items:

OUTREACH at the Southern Women's Show in Nashville, Tennessee Tuesday, March 28 to April 2.

Sincerely,

Alabama

On the way to California last month, I stopped off to visit my **COUSIN's DAUGHTER** at college. I found out after visiting her last year, she is in touch with her biological **FATHER** who had left them when she was a child because of a drug problem. Her father went through **TEEN CHALLENGE**, got saved and now serves as a Pastor in Alabama!

On the way home I was able to meet her father and his new **FAMILY!** Neither one of us knew about the other and are totally ecstatic that we are both praying for them all to be saved!

Texas

I drove to Dallas/Ft. Worth on I-20 south of Dallas, and I spoke at a Messianic **CONGREGATION** that night on the north side of Dallas. **SOMEONE** came up to me with a picture in his phone of our ministry van. He said he was trying to get my attention to say hello and couldn't believe I turned up to be the guest speaker at his Congregation!

The college **STUDENTS** were excited to hear my testimony, and purchased several of our evangelistic t-shirts to wear on campus! I shared my testimony at a dance **MINISTRY** and felt lead to focus on my Coca-Cola testimony which touched a Jewish **MAN** who's **SISTER** works at Coca-Cola!

Arizona

I caught the end of the Tucson Gem Show and spent time with my Jewish **VENDOR.**

The Kosher restaurant in Tucson is now owned by an **ISRAELI.** He thought my t-shirt was amusing, but gladly accepted one of the Hebrew Gospel tracts I brought back from **ISRAEL** last year!

A Christian Jew Foundation **MISSIONARY** ordered some of our evangelistic t-shirts (I had with me) for a Mardi Gras outreach!

The Jewish **MAN** I met in California last year who prayed with my friends to receive Jesus, has been going to the **CONGREGATION** ever since. I went to dinner with him and his **FRIEND** who had witnessed to him for 15 years. The Jewish **MAN** insisted I lead him through a sinner's prayer to show his friend he is now a believer!

After dinner, we met up with their wives, and the Jewish **MAN's** Jewish **WIFE** was shocked to see me and even more shocked to find out she lived in the same neighborhood as my **PARENTS** had on Long Island!

I went out to lunch with a Pastor **FRIEND** and ran into a Jewish **WOMAN** they have been reaching out to!

Nevada

We wore evangelistic t-shirts and gave out tracts at trade shows, the college campus and Jewish restaurants. We shared with 94 year old comedian **MARTY ALLEN** and billionaire **SHELDON ADELSON**!

California

We had ministry tables at the Messianic Jewish Alliance of America's Southwest Regional **CONFERENCE**. Our first sale was to a Messianic Rabbi from Italy who purchased several evangelistic shirts. We sold shirts to a Messianic Rabbi from Hawaii and people from all over the Southwest.

The Lord blessed us with a new wholesale customer, a Messianic Congregation in Phoenix, Arizona. Phoenix is thought to be the fastest growing Jewish population in the United States, and we are so blessed to be supplying them with shirts!

Mississippi

On the way home from California, I stopped off in Mississippi to share with a **GROUP**. My invitation came from a **WOMAN** who I met while on a mission trip to the Ukraine last year. She saw how God used my t-shirt to start a conversation which resulted in someone praying to receive Jesus. She later bought a copy of my book and was so touched, she invited me to share with her fellowship group. They were so excited to be able to purchase "*I Love Israel*" shirts for their Israel Day Parade!

"Again I ask: Did they stumble so as to fall beyond recovery? Not at all! Rather, because of their transgression, salvation has come to the Gentiles to make Israel envious. But if their transgression means riches for the world, and their loss means riches for the Gentiles, how much greater riches will their fullness bring!"-Romans 11:11-12

EDDIE & LURA BECKFORD (Arad, Israel)

Lura wrote: "I will be arriving in the USA (Pennsylvania) on March 11 & will be there for 3 weeks, Lord willing.

The government of Israel just canceled Eddie's health insurance and are refusing to renew his permanent residence. Actually, they are ignoring us in hopes we will disappear. The ultra-orthodox are doing all they can to avoid giving him legal status.

Eddie is feeling much better and is on his way to full recovery as he is working to rid his body of the toxic aluminum. I also have aluminum in my body but not at the high levels that he does. Please pray for Eddie's continued healing, and his status as a citizen in Israel. And I appreciate prayers for my travel schedule & speaking events.

Meanwhile continue to pray about the ongoing persecution against the believers here in Arad. The Orthodox seem to be stepping up their campaign, especially against the Russian congregation.

One of the Bedouins who became a believer in Yeshua had to flee for his life as his family is actively looking to kill him. May the Lord surround him with his angels of protection and use him as a testimony for His Glory! Thanks and blessings for your support!"
