Curriculum

We have chosen a curriculum for each room based on the developmental needs of the children in the classroom.

Toddler Curriculum (10 months-23 months)

We will keep your child on his/her daily schedule as much as possible. During the day, we will do activities with your child to help them develop their social, emotional, cognitive, language and physical skills. This is great time for them to learn that they can be safe and loved outside of the home.

Each of the following classes also include art, music, bible stories and outdoor play daily.

Curriculum (2 years)

We have chosen a curriculum from McGraw-Hill called "Doors to Discovery" which is a feeder curriculum to Baldwin County Schools that focuses on oral language, phonological awareness, concepts of print, alphabet knowledge, and writing and comprehension. We also incorporate the following areas: large and small motor skills, cognitive development, socialization, as well as emotional and spiritual development.

Curriculum (3 years)

We have chosen a curriculum from McGraw-Hill called "DLM Express for Four Year Olds" which is a feeder curriculum to Baldwin County Schools, supplemented with a kindergarten preparatory phonics program that has proven to provide a solid base for reading and writing. We also incorporate the following: large and small motor skills, cognitive development, socialization, as well as emotional and spiritual development.

Curriculum (4 years)

We have chosen a curriculum from McGraw-Hill called "DLM Express for Five Year Olds" which is a feeder curriculum to Baldwin County Schools, supplemented with a kindergarten preparatory phonics program that has proven to provide a solid base for reading and writing. We also incorporate the following: large and small motor skills, cognitive development, socialization, as well as emotional and spiritual development.

Extra Curricular Activities:

- **Whiz Kids** offers a child appropriate introduction to the computer world twice a month.

As a school family we meet on Wednesday mornings for *worship* - this is an exciting discovery of the bible, experienced together as a group. The children learn bible verses, sing together and dive into a bible adventure— this is a fun interactive time of worship.

Registration Checklist

We will need the following before your child can participate in the *weeschool* program:
