Fall Agility Cup 2017

November 19th, 2017

1 ring, indoors on artificial turf - 90' x 120'**

Biathlon 1 Design Judge Evelyn Robertson

Biathlon 2 Design Judge Gabi Steppan

All runs to be Judged by Ms. Robertson

Limited to 240 runs

Entries for the Cup will close on November 10, 2017

This will be an unsanctioned agility competition for bragging rights, bling, and the big bucks only! There are no qualifying scores or titles awarded. Competition will consist of two biathlon events.

Each biathlon will be scored independently.

Biathlon 1 will be designed and judged by Evelyn Robertson. Biathlon 1 will run Agility first, then Jumping.

Biathlon 2 will be designed by Gabi Steppan of Austria, judged by Evelyn Robertson. Biathlon 2 will run Jumping first, then Agility.

Courses will be reviewed for safety by Nancy Gyes.

Scoring will be time plus faults. Judging will be per AKC ring rules except as modified herein and scored as follows: Refusals + 5 seconds; Faults +5 seconds (bar or missed contact); Wrong Course +20 seconds if corrected, Elimination if not corrected. European style training in the ring is allowed. See below. **Each height's winner will receive a trophy, 10% of the entry fees for their height, and a toy; runner-up will receive 5% and a toy; third place will receive a toy and bragging rights. Rounds with eliminations are not eligible for placements in the biathlon.**

AKC leash rules will not be enforced, however your dog is expected to enter and leave the ring on leash and under control because it's polite to others. The partition curtain at IADW will be open so we can watch runs. There will not be additional "fencing" between the crating area and the competition area. Dogs not running must be on leash or crated. A small warm up jump area will be available in the matted area and a warm up jump will be provided outdoors, but recall that weather may be inclement.

Jump heights offered will be 4"/8" (scored together), 12", 16", 20" and 24". You may pick the best height for your dog.

Dogs must be at least 15 months of age. Bitches in Season (BIS) will be accommodated; handlers need to bring a mat for the start line.

"European Style" training in the ring means that a team may correct a sequence, or a repeat a contact and provide verbal praise and play as reward and then go on with the course. Once a team has elected to train a sequence or obstacle the run will be scored as an elimination. Verbal praise alone will not be cause for elimination; it will be at the judge's discretion if the team has chosen to end their competitive run to train. Teams are expected to be respectful in their choices about training in the ring, and NO harsh correction will be tolerated.

The Cup will begin at 9:30 a.m. running small to tall; the Cup will be limited to the first 240 runs and is expected to finish by 4:00 p.m. If time allows, we will offer \$5 mulligans on the Agility course after the Cup.
