A Note from Rick: We had our September Feeder Sale and it has been a long time since we've had prices this low on Holstein replacement heifers. In the 22 years that I have been in the heifer business, I have never seen these prices. And actually, most of the cattle aren't going in as replacement heifers. They are going on full feed for beef. Only the very top end in quality are being fed for Dairy heifers. Butcher cattle showed slight gains again this week, while butcher cows remained steady or even slightly weaker. The calf market was unchanged along with Dairy cows and Springers. Thank you to all who came out for the Fall Frenzy. Lots of weddings that day kept attendance lower than normal, but it was a great day overall. See you at TLA!

Fall Frenzy Results
