“Educating Today’s Children for Tomorrow’s World”

Stacey A. Quiñones
Principal

Tonya Hodge-Hargrove
Assistant Principal

As we prepare for another amazing year at Morikami Park Elementary, we take a moment to reflect on the many partnerships and successes we’ve had last year. Our business partnerships are an important ingredient that helps to create opportunities for students that they wouldn’t ordinarily have to continue on the path of excellence we define as the “Morikami Way.” We have outlined a few facts that makes Morikami Park Elementary unique and cutting edge.

- ◆ *Morikami Park Elementary is once again an “A” rated school and a National Blue Ribbon Award Winning School*
- ◆ *Magnet Schools of America Merit School of Distinction Award Winner*
- ◆ *Kindergarten through Fifth Grade engage in 6 units of inquiry which explore global issues*
- ◆ *State of the art technology in the classrooms and 2 fully equipped computer labs*
- ◆ *Spanish and Mandarin Chinese classes are offered to all students Kindergarten through Fifth Grade*
- ◆ *Hands-on Science Lab available to all students to explore scientific concepts*
- ◆ *Active music and visual arts programs that encourage student creativity and exploration*

We would like to take this time to again thank last year’s Business Partners for their unwavering support of our school - its programs, mission, and goals. We couldn’t achieve our goals without their support and for that we are truly grateful.

We hope you will join us this year as a 2018-19 Morikami Business Partner. Attached is an enrollment contract and Membership Level Menu for your review and consideration. Should you decide to join us, please complete the paperwork and mail or hand-deliver to Amy Mercier, IB Magnet Coordinator at your earliest convenience.

Additionally, our Principal, Mrs. Quiñones, would like to ask for your support to recognize and reward teachers at her monthly faculty meetings. If you would like to contribute a gift card and/or a small “gift” or “service” which could be raffled off to our dedicated teachers each month at faculty meetings, that would be incredible! MPES teachers are amazing and hard-working and she would really like recognize their efforts throughout the school year in this way.

With your help, we look forward to another successful year at Morikami! Again, we are so grateful for your support and for your generosity in maintaining the foundation for our students’ success.

Fondly,

Mrs. Mercier
