

WATER SHUT OFF NOTICE

We are undertaking repairs that require us to shut off and drain our lines in your area.
The water will be shut off at approximately

Thursday, April 11, 2019 9:00 am

(We will try to have the water back on ASAP)

***We recommend that you shut off your hot water tank and
Fill extra containers during this time.***

When services return, you may experience discolored water and air locks or detect chlorine smells. We are required to disinfect the lines with chlorine when we expose the lines for repairs. We recommend that you run your cold water for 10 – 15 minutes to clear the lines. If the problem persists, continue running your water
And notify the Village Office at 283-2202.

We apologize for any inconvenience and will do our best
To return service as quickly as possible.

Thank you,
Public Works Department
Village of Gold River
