

Clarksville Wildcat Band Boosters

2016-2017 Program Goals

GOAL: To provide talented students opportunity to perform throughout the year in an environment designed to foster skills specific to color guard and percussion, through the following:

1. Provide musical, color guard and percussion students an active musical and performance experience throughout the year.
2. Provide specialized/world class group/individual instruction, not readily available to students in color guard and percussion sections during band classes.
3. Provide students not regularly involved with the pageantry arts and percussion elements of the band, the opportunity to receive world class instruction and participate in a quality organization in addition to their regular band class.

Specific events for band:

1. Various marching band competitions
2. School and community performances as opportunities are available

Projected Goals:

1. Hire additional staff to provide individual and specific section instruction
2. Pay for new uniforms
3. Expand the outreach of the boosters to include more parents & supporters
4. Purchase new trailer
