

The History of the Rode Hard Riders Benefit Events

In 2010 the committee for the “Tailgate Cook-Off” to benefit St. Joseph’s Catholic Church in Loreauville approached Ed Oubre and asked if he would assist Jerry Fruge, a member of the committee, in putting on a Poker Run for the Cook-Off. Jerry also recruited James Landry to help out. The trio, with the help of the Bayou Country Riders started an adventure that would soon lead to the start of the Rode Hard Rider Club.

Since none of the three had ever even attended a Poker Run they, accompanied by Debbie Oubre, began attending every Poker Run they could to learn about putting on a run and advertising of “The Joker’s Wild Poker Run”, the name they decided to call their event. The very first Joker’s Wild was held on October 16, 2010 at the park in Loreauville and the proceeds from the Poker Run went to Special Olympics of Iberia Parish.

The stops for the Poker Run were, 1) Red’s Levee Bar in Catahoula, 2) McGee’s Landing in Henderson, 3) The Teche Lounge in Parks, and 4) Robert’s Lounge in St Martinville.

The event was a big success and Jerry, James and Ed accepted a request to put on the Joker’s Wild again for the 2011 Tailgate Cook-Off. Since they had so much fun planning and promoting the event the three decided to form a club to organize their efforts. On October 27, 2010, Jerry, his wife Marian, James, Debbie and Ed held the first ever club meeting at Bailey’s Sports Bar in Loreauville and decided to name the club “The Rode Hard Riders”. The other two decisions made at the meeting were to open a checking account at First National Bank of Jeanerette and to hold monthly meetings on the first Wednesday.

2011

The club continued to meet at Bailey’s until April of 2011 when they decided to hold their meeting for that month at St John’s Restaurant in St Martinville. The May 4, 2011 meeting was held at Morvant’s Restaurant in Youngsville and the June 1, 2011 meeting was held at Joey’s Sports Bar in Broussard, where it remained until February 7, 2019. The group had outgrown the meeting room at Joey’s and moved its meetings to Young’s Sports Bar in Broussard.

At the July 6, 2011 meeting the RHR Club accepted a request from the Lydia Cancer Association to manage their Poker Run for the “Lydia Food Fest” to be held on September 8th.

The stops for the Lydia Food Fest Poker Run were 1) Café de Museum, in Erath 2) Beehive, in Abbeville 3) Dewey’s, in Youngsville 4) Bailey’ Sports Bar, in Loreauville.

The Joker’s Wild for 2011 was held on October 15th. The stops for the 2011 Joker’s Wild were changed to 1) Red’s Levee Bar in Catahoula, 2) Dodge’s Fire House in Arnaudville, 3) Lil’s on the Teche, Breaux Bridge 4) Robert’s Lounge, St Martinville.

2012

At the December 7, 2011 meeting the RHR Club accepted a request from the Park's Cracklin Cook-Off Association to sponsor a Poker Run on April 14, 2012 in conjunction with the Park's Cracklin Cook-Off and the proceeds from the run would go to the "Caps for Kids" organization. The name "Kajun Iron Horse Poker Run" was suggested and in a short 14 months we went from having one event to three events a year.

The first RHR benefit for 2012, the Kajun Iron Horse was held on April 14th and the stops were 1) Pop-A-Top in Broussard, 2) Wa-Wees in Milton, 3) Dodge's Ice House in Carencro, 4) Bike Barn Saloon in Sunset. Forty-three bikes participated that year.

On September 8, 2012 the RHR managed the Lydia Cancer Association Poker Run for the second year and the stops were 1) Café de Museum in Erath, 2) Beehive in Abbeville, 3) Dewey's in Youngsville, 4) Bailey's Sports Bar in Loreauville.

The third and last RHR event for 2012 was the Joker's Wild Poker Run held on October 20th at the Loreauville Park to once again benefit Iberia Parish Special Olympics and the stops were the same as 2011 but in reverse direction: 1) Robert's Lounge in St Martinville, 2) Lil's on the Teche in Breaux Bridge, 3) Dodge's Fire House in Arnaudville, 4) Red's Levee Bar in Catahoula.

2013

Several changes were made in 2013, the Kajun Iron Horse was held on April 6th, again at the park in Parks, in conjunction with the Parks Cracklin' Cook-Off, the beneficiary was Caps for Kids, the same as the previous year. The stops were changed from the year before to: 1) Dodge's Fire House in Arnaudville, 2) Bike Barn Saloon in Sunset, 3) T-Boys in Breaux Bridge, 4) Red's Levee Bar in Catahoula.

The RHR wanted to continue putting on an event to benefit Iberia Parish Special Olympics and decided to hold an independent event (not in conjunction with some other organization or event). We chose Red's Levee Bar, our most popular stop, as the location for this new endeavor. The name "Levee Rats Biker Bash" is what we decided to call the event. We used the words "Biker Bash" in hopes to grow the event into more than just a Poker Run.

On June 22nd the RHR successfully pulled off the first ever Levee Rats Biker Bash. The only activity was a poker run with, for the first time only three stops, these being 1) Bailey's Sports Bar in Loreauville, 2) Robert's Lounge in St Martinville, 3) Lil's on the Teche in Breaux Bridge.

The Joker's Wild Poker Run became the poker run we managed for the Lydia Cancer Association event in conjunction with the Lydia Food Fest. The proceeds for the poker run went to the Lydia Cancer Association. Seventy-two bikes, eighteen jeeps and a total of one hundred fifty people took part that year.

Since having three stops worked so well for the LRBB, we decided to use three stops instead of the four we had been using for the Joker's Wild also and these stops for 2013 were 1) Candy's Bar in Baldwin, 2) Cypress Bayou Casino in Charenton, 3) Bailey's Sports Bar in Loreauville. Using the Casino as a stop did not go well at all, so the decision was made to never use a Casino as a stop again.

2014

The 2014 Kajun Iron Horse was held on April 26th, again in conjunction with the Parks Cracklin' Cook-Off, but the beneficiary was changed to "Team Fox", the Michael J. Fox Parkinson's Research Foundation. All stops for the KIH were the same as last years run. Forty-one bikes and a total of sixty people took part that year.

The Levee Rats Biker Bash 2014 was on June 21st at Red's Levee Bar and made the fifth year the RHR supported the Iberia Parish Special Olympics and the second year to use the same route and stops. An activity, Biker Games, was added for Saturday afternoon after the poker run. Participating that year was forty bikes, two jeeps with a total of sixty-five people.

The location and beneficiary for the Joker's Wild 2014 was the same as the previous year, the date was September 13th. This year's stops were changed to 1) Robert's Lounge in St Martinville, 2) Red's Levee Bar in Catahoula, 3) Bailey's Sports Bar in Loreauville. That year's participation was sixty-four bikes, three jeeps and a total of ninety-nine people.

2015

On April 11, 2015 the stops, beneficiary, location and affiliations for the Kajun Iron Horse all remain the same as the previous year. A bad weather forecast didn't help us that year and the turn-out was only fourteen bikes, one jeep and twenty-two people total, but we where lucky enough to miss the rain.

The only change to the agenda for this years Levee Rats Biker Bash 2015 was the addition of a "Kick-Off Party" on the Friday night at Red's, with a Womanless Beauty Pageant. The proceeds for the Kick-Off Party went to help a cancer patient who lived in Catahoula. The dates were June 19th & 20th. All stops and routes remained the same as the previous year. That year's participation was fifty-two bikes with a total of seventy-five people.

The 2015 Joker's Wild was on September 12th and all stops and routes details remain the same as the previous year. The totals for 2015 where forty-five bikes, two jeeps and sixty-six people.

2016

April 2, 2016 was the date for the fifth annual Kajun Iron Horse. The only change in the agenda was the route and stops 1) Silver Slipper in Arnaudville, 2) Bike Barn Saloon in Sunset, 3) T-Boys in Breaux Bridge, 4) Red's Levee Bar in Catahoula. The participation numbers where a little better than 2015 with thirty-two bikes, one jeep and a total of fifty-seven people.

The Levee Rats Biker Bash in 2016 was our fourth year putting on this event. A "Kick-Off Party" was held on Friday, June the 17th at Red's Levee Bar and on Saturday the Poker Run was held. For the third year in a row the routes and stops where unchanged. Besides Iberia Parish Special Olympics two more parishes where added, Lafayette Parish Special Olympics and St Martin Parish Special Olympics. A chance of rain that day probably had something to do with the drop in participation. Two jeeps, thirty bikes and a total of 49 people took a chance on the weather and once again we managed to complete the entire ride without getting wet. The afternoon biker games where canceled due to the ground being too wet from Friday's rains.

The Lydia Food Fest for 2016 was cancelled so the RHR held only two benefit events this year.

2017

The 2017 Kajun Iron Horse was held on April 22nd. For the second year the weather forecast was not on our side, but still twenty-nine bikes and forty-three people took a chance. And again, we missed the rain! The stops and routes where the same as 2016.

On July 21st & 22nd the RHR held its fifth annual Levee Rats Biker Bash at Red's Levee Bar. We had a repeat performance from the weather that year so the turn-out was down some and the biker games had to be omitted from our activities. When leaving Lil's on the Teche to head back to Red's Levee Bar it looked like we where about to get rained on so most of the riders slipped into their rain gear. But the rain gear turned out to be unnecessary, we where able to get ahead for the rain and only a few drops managed to catch up with us. The 2017 count was thirty-three bikes, one jeep and fifty-four people total.

The Joker's Wild for 2017 was held on September 9th, no chance of rain and seventy bikes, one jeep and one hundred five people where part of that years run. The stops where 1) Robert's Lounge, St. Martinville, 2) Red's Levee Bar, Catahoula, 3) Bailey's Sports Bar, Loreauville.

2017 was the first year for the RHR Food Run. On November 18th we delivered Thanksgiving Food to 16 families in five Acadiana Parishes.

2018

The three benefit events for 2018 where, the Kajun Iron Horse Poker Run, the Levee Rats Biker Bash and the RHR Thanksgiving Food Run.

April 7th 2018 was the date of the seventh annual Kajun Iron Horse. A new route was chosen to include 1) Bayou Teche Brewing in Arnaudville 2) Menard's Last Chance in Sunset, 3) T-Boy's in Breaux Bridge, 4) Red's Levee Bar in Catahoula. Our luck with the rain chances wasn't any better than it had been the past two years, and we almost pulled it off again dry! The rain didn't find us until just before Red's Levee Bar, our last stop before heading back to the park. That year twenty bikes, one jeep and thirty-three people still made the best of it!

The Levee Rats Biker Bash was on July 20th & 21st and it was a year for new routes. The 2018 stops where 1) Quinn's Tavern in Breaux Bridge, 2) Lil's on the Teche in Breaux Bridge, 3) Bailey's Sports Bar in Loreauville. Once again, we held a "Kick-Off Party" at Red's on the Friday night, the Poker Run on Saturday morning and the Bik Games Saturday afternoon. We had forty-four bikes and one jeep that year the total number of people was sixty-five.

The RHR held Its second annual Food Run in November. That year three baskets where delivered on Friday the 9th due to route issues. Since we more than doubled the number of families to thirty-four, the event was divided into two weekend runs and like last year's run we split up into two groups, one went North and the other went South. The first run was held on Saturday, November 10th when we delivered to seventeen families and the second run on Saturday, November 17th we finished up by delivering to fourteen families.

2019

The 2019 Kajun Iron Horse was on April 27th. We ran the same routes and stops as 2018. We finally got a good weather forecast and the participation number where up to fifty-nine bikes, one jeep and a total of eighty-seven people.

In 2019 the Levee Rats Biker Bash was moved to the month of June and was held on the 14th & 15th and all three activities, the Kick-Off Party, Poker Run and Biker Games where held, We had forty-seven bikes, one jeep with seventh-four people. The route for the 2019 Poker Run was 1) Grand Pointe Tavern, Breaux Bridge, 2) Teche Bar, Parks, 3) Bailey's Sports Bar, Loreauville.

Our third annual Food Run was again split into two weekends, the first being November 9th when the South team delivered eight baskets and the North team delivered six. The North team delivered eight on the second

Saturday, November 16th and the South team delivered nine. A total of thirty-one families received Thanksgiving Food that year.
