

## Region 11 Meeting

6-27-2018

- Meeting called to order at 7:02pm
- Pledge of Allegiance led by Al Copp
- Treasury report read by Patty;  
Balance: \$2,051.10
- Legislation read by Alice;
  - Legislature has adjourned for summer recess. No further action on ABATE bills. Legislatures will return after August primaries.
  - Lil' John, Chuck and Alice attended a fund-raiser for Steve Beida. He is currently a state Senator who is term limited. He may not be able to do much at our county clerk level, but it never hurts to keep good connections. Mr. Beida has supported our bills.
  - Lil' John and Alice attended a fund-raiser for Paul Wojno, who is running in the Democrat seat for Steve Beida's current job state senator was a rep for his full 2 terms but never supported our bills and voted against helmet repeal. His wife, who served as State Rep, after her husband, did vote for helmet modification. Alice is trying to get Paul Wojno out to the August MCOC meeting to put his feet to the fire and see if he will now support us, as helmet choice has been the law of the land for more than 5 years now, with none of the doom the naysayers kept warning about. State Representative Green is the rep who introduced the funeral procession bill.
