RE: City of Vienna Housing Rehabilitation Grant

The City of Vienna will be conducting a Public Hearing here at Vienna City Hall on **October 16th, 2018 at 2:00 P.M.**

The purpose of this meeting is to answer ANY questions or comments in regards to the Vienna Housing Rehabilitation Grant Application which, if awarded, would be able to replace and/or repair roofs, furnaces, air conditioners, windows, doors, bathrooms, siding etc. at **no cost to you**, the homeowner.

Grant applications are scored on a point system. The more residents from our project area that attend the meeting, the higher chance of actually receiving the grant.

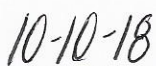

The City would greatly appreciate a small amount of your time in this matter. Without the help of the citizens of Vienna, this grant will not be possible.

I look forward to seeing you here.

Sincerely,

Jon A. Simmons, Mayor

Aleatha Wright
