

ABEO Insurance is a benefits agency specializing in Employer Health Benefits. The agency was found on the premise “**change is action**”, this concept is more true today in the benefits industry than ever been in the past.

We work with closely held businesses helping employers understand health plan design options, coverage and compliance.

We believe *knowledge has advantages.*

ADVISOR NETWORK

Small businesses often do not have the financial resources to employ in-house resources, legal teams and payroll services on a full-time basis. We have established partnerships with advisers on a pervert basis, if your company needs access to such service.

HR360:

We have partnered with HR 360 to provide our clients with a new, award-winning online library that delivers comprehensive, ways to navigate human resources and benefits news, content tools and forms to companies nationwide.

COMPLIANCE SERVICES

- Group Health Tune -up
- Summary Plan Description (SPD)
- Premium Conversion Plans (Section 125)
