To Whom It May Concern:

I am writing on behalf of Roswell Arts Fund, the designated arts agency for the City of Roswell, Georgia.

We are in production for our fourth year of ArtAround Roswell, a temporary sculpture tour. Each year, through a diligent public art selection process, we select ten sculptures for our annual sculpture tour. Please visit [www.roswellartsfund.org](http://www.roswellartsfund.org) for more information.

This year we are delighted to host Ice Pops, by Craig Gray.

Ice Pops is a hugely popular sculpture that is installed in Riverside Park, near one of our many playgrounds. Ice Pops is fun, and fits with its surroundings.

Craig Gray has been an excellent artist partner. We pride ourselves with an extremely successful sculpture tour and strive to be a regional leader. Craig has been easy to work with, and we highly recommend his work.

Please do not hesitate to contact us with any questions.

Thank you,
