COMPETE

The Elks Hoop Shoot provides a character-building, competitive experience for all contestants. Contestants learn about the importance of respect and good sportsmanship. They learn to be humble after a successful win and are prepared to accept defeat gracefully. Through each level of competition, the contestants support one another.

CONNECT

With hours of practice at every level of competition, parents connect with their child throughout the Hoop Shoot experience. Family members travel with their contestant to every competition and share the experience together. Contestants connect with one another throughout their journey, developing positive relationships with peers. Contestants and families regard spending time together as one of the top benefits of participating in the Hoop Shoot.

SUCCEED

Through healthy competition and practice, contestants develop grit that aids in achieving success in school and life.
