**November Meeting:**

The LRCC Club meeting was held on November 7, 2017 at the Aero Club.

Club Officer and Board elections are ongoing. Everyone should have received their ballot. Please mail your ballot in or bring to the December meeting. (Christmas Party)

**Christmas Party**

The December meeting will be our annual Christmas Party. Club is furnishing meats, condiments, drinks, etc. We are asking everyone attending to bring a side dish or dessert. We will also be doing Toys for Tots at the party as well. A donation or toys will be accepted.

**Library Plane Show**

I would like to thank everyone who brought a plane for display and those who helped. Thanks to Gary, Jerry, Bill, Steve, Marty, Fred and Tony who gave up their time to talk RC, promote the club and help keep little fingers off the planes on display.

The show was successful in helping to promote both RC and LRCC. We are looking at doing another show in the April time frame when we can invite people out to the field. We had a lot of interest and kept getting the question of when are you going to be flying so we can come out.

**Numb Thumbs Fun Fly**

January 1<sup>st</sup>, 9:00AM until??? or until our thumbs get too numb to fly.

**Odds n Ends**

Jerry has vinyl club window decals. Nice and only \$12...  
 AMA cards must be displayed while flying.

Chain on gate is cut to go like this.
