

2017 NCHSRA STATE FINALS POINTS

RODEO POINTS:

We had 12 regular season rodeos, so we must give away 130 points to each event winner at state finals. This is 20 more points than last season because we have had 2 more rodeos than last season.

- Year End Event winners are determined AFTER awarding Average Points and PRIOR to awarding Bonus Points.
- Bonus Points are only for All-Around and Rookie All-Around Total calculations.
- Only State Finals Rein Cow / Cutting Points count towards All-Around and/or Rookie.
- Shooting points DO NOT count toward All-Around and/or Rookie

In each Event, members start the State Finals with the points accumulated from all regular season rodeos. Dependent on the member's performance at the State Finals, the following possible points can be added to the member's regular season total.

Place	Friday Go 1	Saturday Go 2	Sunday Go 3	Average Points	Bonus Points
1 st	10	10	10	15	85
