

I Hate PLC's
Changing the Battle Cry
COSA - Salishan
January 2018

Objectives:

- Gain clarity about the purpose, essential elements and outcome of true collaboration.
- Identify common pitfalls that lead to frustration and fatigue.
- Provide an opportunity for reflection and to ask/answer questions
- Generate ideas and resources to help change the battle cry from "I HATE PLCs!" to "I LOVE PLCs!" (*Or, at least, "I like PLCs."*)

Agenda:

Opening/Objectives

Process Overview

Problems of Practice:

Why do people hate PLCs?

Hold the Bunny

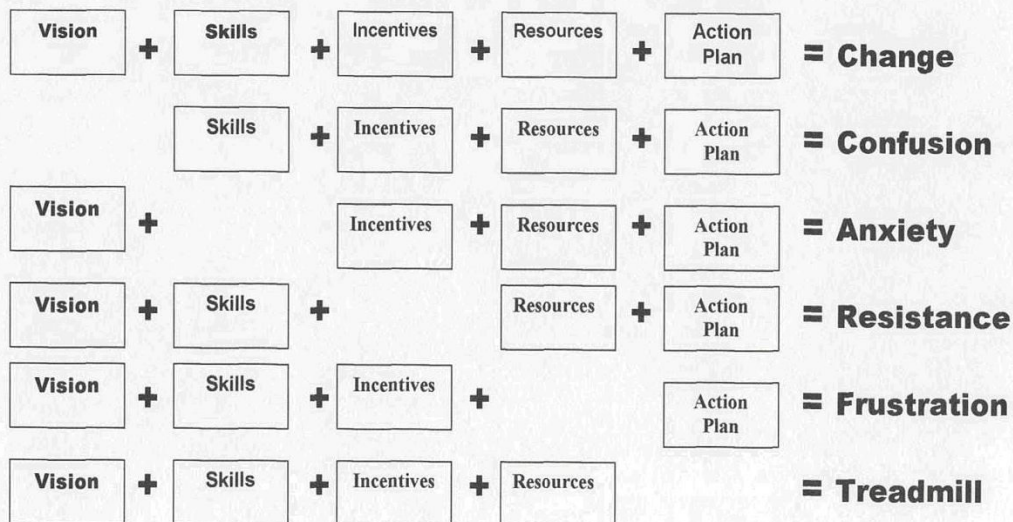

Resources

Reflection/Closing

I Hate PLC's because...

Problem	Possible Solutions
---------	--------------------

Managing Complex Change

[Adapted from Knoster, T. (1991) presentation at TASH Conference, Washington, D.C. (Adapted by Knoster from Enterprise Group, Ltd.)]

Must Have Resources:

- Process sheet: <https://goo.gl/gnYx5B>
- Running Agenda: <https://goo.gl/8uo8yE>
- Monitoring Form: <https://goo.gl/LdzVwm>
- Comprehensive Observation Rubric (COR) <https://goo.gl/dcUGVr>
