Office of the Governor  
New Mexico State Capitol

Santa Fe, NM 87501

Dear Governor Susana Martinez Office, Greetings to you;

I AM PAULETT ANGELLA HEMMINGS EARTH, THE ROYAL ROSE OVER ALL CHREATIONS AND THE CHREATOR OF CHREATIONS, THE CHREATOR OF THE EARTHS, AND THE ONLY CHREATOR OVER ALL (6 Times). WE ARE IN THE 2018 PAULETTIC PAJE AND THE THIRD MONTH OF 2018 YEAR. I AM THE ONLY CHREATOR OVER ALL LIFE, DEATH, ESISTENCES, AND ANYTHING INBETWEEN AND AFTER.

Ms. Hemmings and any name connected to the Hemmings who is sick in Jacobi Hospital/Jacobi Medical Center in the Bronx, New York is never to DIE. She is never to DIE, she is never to DIE, she is never to DIE; and she is never to be Dead, never to be dead, never to be dead, never to be dead; at no time at no Entry, at no time at no Entry, at no time at no Entry, at no time at no Entry; and must come out of IT, and must come out of it, and must come out of it, and must come out of it. No part of Ms. Hemmings organs, limbs, or any part of her mind or body must ever be removed or switched. Any bad things that happen to her, it is the responsibility of Jacobi Hospital. I Press Charges against you Jacobi Medical Center 4 times.

FOR ALL HOSPITALS

None of those who are born in this Earth is to DIE. Not one of my children in this Earth is to be put to death or called dead. This Earth is Life and not death. Only the Zees can die. Anyone in this Earth who die, it is the physicians that they call doctors and surgeons who put them to die and those who pronounce them dead.

No one is to remain sick in the hospital. A person is to stay a week and no more than two weeks in the hospital for any type of repair or resuscitation, unless the body must be partially or totally repaired which can take a few more weeks and if the person is put in an incubator.

The main Devels are called Zee. They are many types of Zees. Some of them are the Zeesungers, Zeelingers, Zeelongos, Zeetangalinga, Zeesunguns, Zeesugarlopers, Zeefearers, Zeesomers, Zeetechnologist, Zeezarios and much more. The Zeetechnologist is one of the worst, if not the worst of the Zees. They use the computer technology to go into our soft cells and to destroy and remove many

things from our body and brain. The Zees use the Series Esistence to assist them in many devel activities, and so the Zees are assisted by some Series and they live in this Jamaica Natural Earth.

The Zees came into this Earth, and they as usual, take over and put themselves as the leaders over all my children and my properties in this Earth. The Zees, the Series, and other devels who live in this Earth illegally, are not visible with the natural eyes in this Natural Natural Earth Level and Elevation, so they wear the plastic mannequin or effigy that is made of Plastic Surgery materials, so we can see them. The Plastic Surgery materials they use are improved over the years, so they are useable and visible in this earth.

In most if not all hospitals, the head leaderships and the Board of Directors are Zees and some Series. Many of the Physicians and most of the Surgeons are the many different types of Zees and some Series. The Zees and the Series are in the Nursing homes, the Hospices, and other intermediate care facilities as well. The decisions made by the Zee devels are not to support living lives, it is to take away the lives of my children and to cause pain and suffering to those who are sick, their families, and the communities. They are the ones who gets into the body and mind before we get sick, and they know many things about our body. They study the mind, the thinking, the memory, the speech, the brain mechanics, and the body, so they can override our natural normal body functions and our activities and then put themselves in us.

If any harm is done to Ms. Hemmings, then the ones responsible will face the Entrapments Fires over and over again, and they will never ever come out of it. They will also face the Deathamanous and higher over and over again. There will never ever ever ever ever 44 times to never stop never stop never stop never stop 12 times; to ever stop ever stop ever stop ever stop 40 times. This is the declaration of the Tumberston Curse in this time for all to know this is what the physicians do, and they do not want others to know that they steal the bodies and the mind of those they said are dead and use for them, and no one is to die in the Natural Earth. After everyone completes their living in each elevation in this Jamaica Earth, they either transcend (go up) or descend (go down) an elevation to the next life as there is no death. Each time you go from one elevation to another, you are made new in the form of an adult and not a baby form. You are treated, once you get to the other elevation, as a new born and you are developed from the baby stage to adult stage within about 3 to 5 years.

As the Zees, Series, and others killed me over and over, and I return to the Chreation areas, I have transferred (not transformed) many Zees and many Series to become Somebody, as they are in the Existences under my authorities. I have chreated many chreations in different Centrimentias or Eras and put both the Zees and the Series in them, for them to have a better esistence. However, the many Zees who go from Esistence to esistence destroying, and did not get to transfer, they returned and killed the many Zees and Series, as they do not look or resemble themselves after my Transfers. The Zees kill themselves over and over thinking they are my original Chreations, and they are still today doing the same bad things. Those Zees and Series I have transferred to become Somebody, they do Transend and Descend from elevation to elevation and from level to level just like my own Chreations. I do Love and care for both the Zees and Series, but the do not love or care for themselves, and so they continue to terror themselves and others. Both Zees and Series, STOP from killing ME, my children, my Chreations, many others, and yourselves.
