

Acting it Out – Self-Evaluation

Step 1: Reflect back on how the scene went by grading yourself on the criteria below:

Criteria	Excellent	Good	Almost	Needs Work
I worked well with other members of the group	4	3	2	1
I made an effort to use voice, gesture, and body language to express my character's actions and feelings	4	3	2	1
I effectively used my time to help my group prepare for our performance	4	3	2	1
I understood Shakespeare's ideas and was able to write a modernization of my scene	4	3	2	1

Step 2: Please answer the following questions about your performance.

1. What specific contributions did you make to your group's performance?

2. How comfortable were you acting on stage?

3. What were some of the challenges that you had on this assignment? How did you work through or overcome these challenges?

4. How well did your group work as a team? Give a few specific examples to support your response.
