- The draw period for the trial will open on September 28th, 2020 at 11 AM Central. Entries will be awarded by random draw of all entries received between 11 AM September 28th, 2020 and 11AM September 30th, 2020.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or on the closing date which is 11AM on November 7th, 2020.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 48 hours to complete your payment to confirm your space in the trial.

There will be a separate confirmation from jason@hengten.com to let you know if your entry has been given a space in the trial.

- No dog will be given a space in more than one trial of the same level at a single event.

Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn the appropriate ORT and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT is earned less than 14 days prior to the event, it is the competitor's responsibility to notify the host that the requirement has been completed.
- After all entries received during the draw period are processed, if the trial level is still not full, entries will continue to be accepted in the order they are received through the closing date or when entries fill.

LOCATION DETAILS

Trial Conditions

Modeled after real-life detection work, NACSW™ trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Please be prepared for you and your canine partner to deal with all these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.
