

Grain Valley Eagles Booster Club

General Membership Meeting

April 11, 2016

A general membership meeting of the Grain Valley Eagles Booster Club was held April 11, 2016 in the Grain Valley High School Commons. Meeting was called to order at 6:35 pm by President John Overstreet. A quorum was determined for voting purposes.

The minutes of the last general membership meeting were available on printed copies.

Committee Reports:

VP of Communications- Chris Ann McPherson will be the new VP of Communications and has been actively posting on all the social media sites for the GVEBC. All summer camps have been posted on Facebook. All sponsors/coaches have been sent information about concession needs and involving parents.

Concessions- Jenny Clark reported that there are several concession needs left for the year. Getting enough volunteers to cover shifts is still a challenge. Parents are encouraged to volunteer during times their son/daughter is not participating in order to allow parents to watch their own child. Any ideas to help get more volunteer involvement for next year would be welcome, including having coach/sponsor support and possibly having sign ups through them.

A percentage of concession revenue for volunteer hours has not been determined yet and depends on overall budget.

VP of Events- John Overstreet reported that Tandy Chapman will be the new VP of Events. Senior night for Tennis has been cancelled for April 3rd with no reschedule date at this time.

VP of Operations- Deanna Cross reported spring travel meals are underway and success of program also depends on volunteers.

Treasurer- Christy Bamman reported that the GVEBC is very close to reaching budget goal of \$56,000 and the GVEBC will be able to purchase budget items that have been pending. Concessions are the biggest source of income, estimated to be around \$20,000. Complete budget report available upon request.

VP of Revenue- John Overstreet reported that Don Hawes will serve as VP of Revenue for next year. Fundraising for next year will be evaluated with the possibility of new fundraising ideas.
