# EMPLOYEE OF THE MONTH

## Tami Matejewski

### April 2015

#### AMP 002 – Family Sites

Tami Matejewski is the KCHA April 2015 Employee of the Month! Tami works with the After School Program on the Family Sites. The After School Program had been operated under the ROSS grant, funding for which ended on 12/16/2014. Without a ROSS coordinator in place, Tami has partnered with Family Site staff to make sure delivery of the program continued! Not only has the program continued, it has thrived. The kids love Tami, and she seems to enjoy working with them! Thanks Tami, for not slowing your roll when obstacles presented themselves!
