Hackensack, New Jersey

Disclosure of Conflicts of Interest

- Postgraduate Institute for Medicine (PIM) assesses conflict of interest with its instructors, planners, managers, and other individuals who are in a position to control the content of CME activities. All relevant conflicts of interest that are identified are thoroughly vetted by PIM for fair balance, scientific objectivity of studies utilized in this activity, and patient care recommendations. PIM is committed to providing its learners with high-quality CME activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest.
- The faculty and CCO staff reported the following financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interests related to the content of this CME activity.

Faculty Disclosures

E. Peter Bjerkerot, RN, OCN, has disclosed that he has received consulting fees from Celgene and fees for non-CME/CE services from Celgene and Kiawa Kirin Oncology.

Elizabeth B. McGrath, DNP, APRN, AGACNP-BC, AOCNP, ACHPN, has no real or apparent conflicts of interest to report.

Gayle Jameson, MSN, ACNP-BC, AOCN, has disclosed that she has served on speaker bureaus for Celgene.

Kristi Kay Orbaugh, RN, MSN, RNP, AOCN, has disclosed that she has received fees for non-CME/CE services from Bristol-Myers Squibb, Novartis, and Teva.

Jayshree Shah, RN, FPN-C, AOCNP, MSN, BSN, BS, has disclosed that she has received consulting fees from Celgene and Ipsen.

Disclosures

Clinical Care Options staff **Terrence Fagan; Megan K. Murphy, PhD; Krista Marcello,** and **Kevin Obholz, PhD,** have no real or apparent conflicts of interest to report.

The following PIM planners and managers, **Trace Hutchison, PharmD; Samantha Mattiucci, PharmD, CHCP; Judi Smelker-Mitchek, RN, BSN;** and **Jan Schultz, RN, MSN, CHCP,** hereby state that they or their spouse/life partner do not have any financial relationships or relationships to products or devices with any commercial interest related to the content of this activity of any amount during the past 12 months.

Disclosure of Unlabeled Use

- This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. Postgraduate Institute for Medicine (PIM) and Clinical Care Options, LLC do not recommend the use of any agent outside of the labeled indications.
- The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of PIM and Clinical Care Options, LLC. Please refer to the official prescribing information for each product for discussion of approved indication, contraindications, and warnings.

Goal

The goal of this activity is to improve oncology nurses' ability to care for patients with advanced pancreatic cancer.

Target Audience

This activity is intended for oncology nurses and other healthcare professionals who provide care for patients with advanced pancreatic cancer.

Learning Objectives

At the conclusion of this activity, participants should be able to:

- Evaluate strategies to help engage patients with advanced pancreatic cancer in a shared decision making partnership
- Educate patients regarding the available treatment options for patients with advanced pancreatic cancer based on a full understanding of the clinical data
- Discuss promising investigational agents and combination regimens for advanced pancreatic cancer with patients and colleagues
- Manage disease-related symptoms and treatment-related adverse events for patients with advanced pancreatic cancer

Nursing Continuing Education

Credit Designation

- This educational activity for 1.0 contact hour is provided by Postgraduate Institute for Medicine.

Accreditation Statement

- Postgraduate Institute for Medicine is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

California Board of Registered Nursing

- Provider approved by the California Board of Registered Nursing, Provider Number 13485, for 1.0 contact hour.

Evaluation and Request for Credit

- Go to: clinicaloptions.com/event/ONSLLPancreatic2017 to access the online evaluation and credit request system
- View and print your certificate upon completion of the online evaluation

General Information

- Please leave ARS keypads on your seat before you leave
- If you did not preregister, please complete the yellow registration form and submit it to the staff before you leave
- Attendees who completed the registration process will be sent an email when slides are available
- Slides will be available on the CCO Web site

Disclaimer

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.
