Message from the President

Happy Spring and may your summer be safe and hot!!! May your gardens flourish and produce lots of fresh veggies.

The Board of Directors and I want to mention a group of individuals that we do not speak much about. The Women's Auxiliary, now the Kitchen Committee, has done an exceptional job for the club for years. While unseen by many, they provide a service that is essential to our hall activities. Their dedication to the club is greatly appreciated and I want everyone to know they are an essential part of our club. Lastly, we are doing a drive to help the efforts of the Kitchen Committee. Anyone wanting to join, please sign up at the bar. I would like to thank the setback league for the great job they did all year long. Everyone had a wonderful time at the year end banquet and congratulations to the winners! One last thing, if anyone has concerns about YOUR club, the Board of Directors meet most 1st or 2nd Tuesday of the month. Please check with the bartenders for the exact date. Your welcome to come to the meeting and discuss your concerns. Thank you all for your continued support.

Congratulations to Phil Taylor Member of the year 2018

Welcome to our new members: Kurt Eifler, Taras Percak, John Schwall, Beverly Tarnowski and Steven Unikewicz.
