Amendment to Agreement between IDOT and the City of Newton

City of Newton  
Section: 13-00047-00-SW  
Project: C-97-055-13  
Addenda # 3

WHEREAS, the City of Newton and the State of Illinois, through is Department of Transportation, has entered into an agreement February 18, 2016 to improve a segment of sidewalk from North and South of Il Rte. 130 intersection to along Van Buren Street and around the Courthouse Square that is approximately 9 blocks in length and known to the Illinois Department of Transportation as MFT section 13-00047-00-SW and State job number C-97-055-13;

WHEREAS, after the bid and award of the contract, the City became desirous of adding additional segments at City expense without any reimbursement from State and Federal funds;

WHEREAS, the State recognizes the economic benefit of the added segments and is willing to add the segments in order to complete the City's desires;

NOW THEREFORE, the City of Newton agrees to appropriate or reserve 49,564.53 or as much of such sum as may be needed to complete any curb and gutter the City authorizes over and above that which was included as part of the original state let project (section 13-00047-00-SW and State job number C-97-055-13);

BE IT FURTHER AGREED that the Mayor is authorized and directed by the resolution 15-13 to amend the agreement to include additional sidewalk at 100% City funding and any other such documents related to the advancement and completion of the added work.

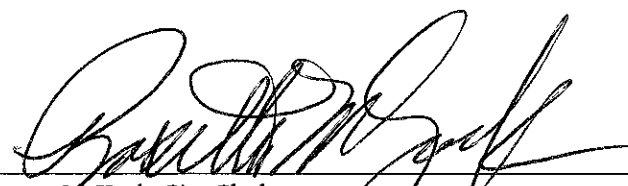

Passed by Newton City Council June 7, 2016
