

**KIRILA FIRE TRAINING FACILITIES, INC.
DESCRIPTION OF SERVICES**

QI AIRCRAFT FIRE TRAINING FACILITY SEMI-ANNUAL INSPECTION

This scope of work consists of performing a Semi Annual Inspection (per Technical Order Developed by the Air Force Civil Engineering Support Agency, TO 35E1-2-13-1), and developing a full report of all of the findings. The report will also include recommendations to repair any found deficiencies with a cost analysis breakdown of what the recommended repairs should cost.
