

Plantations II Pool Party Rules and Guidelines:

Any groups that include over 5 guests are considered parties and must be pre-approved by the Pool Manager and Pool Committee Chairperson.

The Plantations II Pool Rules apply to all party attendees. Rules may be found online at plantationstwo.com under the Pool tab

In general, the pool is available for party scheduling during normal operational hours (noon - 8pm) when there is not another event scheduled.

All swimming guests that attend a party are included in the total number of attendees regardless if the guest is a member of the Plantations 2 Pool.

One (and in some cases, two) additional lifeguards are required for parties over 15 but up to 50 attendees. This is subject to change depending on the age of the guests. Fees for additional guards are the responsibility of the party host. For parties over 50 guests, please contact the pool committee chair for additional scheduling and pricing information.

For any parties requiring an extra guard (more than 15 attendees) there is a mandatory one-half hour added to the party for clean up. Ex. A party with 20 attendees from 2-4 pm will be billed for 2.5 hours.

I want to have a party at the Plantations II Pool. What do I need to do?

1. Contact the pool committee chair with your request (plantations2pool@gmail.com). Include date and time of requested event, number of expected attendees (members and non-members) and any special requests. If the schedule allows for your event you will receive an email confirmation.
2. Please provide a confirmation of number of attendees at least 48 hours prior to the event. *One weeks' notice is required for events needing additional guards/staff*
3. Bring a list of all guests (members and non -members) to the pool prior to the party. This will allow the desk guards to have the wrist bands ready and prevents your guests from having to sign-in.
4. Be prepared to use a guest pass (you will receive your 1st pass of the summer free - ask at the desk) for any non-member swimmers attending the party. Each guest pass is \$10 and admits up to 5 guests. If you need to purchase additional passes that is not a problem - just bring a checkbook as the desk does not accept cash. Alternatively, a check can be written to Plantations II HOA for the full amount owed for non-members (\$2 per non-member)
5. Note that all guests 12 years old and under need to pass a swim test to use the well (8 yrs. and under for members). See lifeguards on duty for more information.
6. For any additional staffing, bring check payment made payable to Georgetown Aquatics for amount owed.
7. Have fun and enjoy your event at Plantations II Pool!

Plantations II Pool After-Hour Party Rules and Guidelines:

All general rules and guidelines apply to after hour events.

After-hour party reservations are limited to an end time of 9pm Sunday through Thursday and 10 pm on Friday and Saturday. Noise ordinances as outlined by Montgomery County apply to events at Plantations II Pool.

At least one weeks' notice is required to book the event in order to staff accordingly.

After Hours Georgetown Aquatics Staffing Requirements:

At a minimum we require a manager and a guard for up to 25 attendees. We add an additional guard every 25 attendees. This is subject to change and may depend on the age of the party guests. Pricing is per hour as outlined in the current contract. One-half hour is added at the end for clean up so the pool is prepared for use by the patrons the next day.

Attendees:	Cost(per hour):
1-25	\$72.00
26-50	\$102.00
51-75	\$132..00

Checks can be made payable to Georgetown Aquatics and dropped off at the time of the party, in case of cancellation or bad weather. Cancellation can be made any time prior to the event.
