SPEAKER

Hello Navajo Canyon Members, Associates, and Newsletter Friends!

There isn't a day that goes by in which we hear news that is shocking, unbelievable, or just plain distressing! Here's a few of the more outrageous happenings recently in the news:

President's Message

Sally Steele
President

1) Islamization of Children in San Diego Unified School District. SDUSD wants to be the first "shariah-compliant" school district in the country!

2) New Motor Voter (aka AB 1461, automatic voter registration through the DMV) regulations, whether you are a citizen or not.

3) California Sanctuary State Bill, all illegal's including convicted felons and gang members are safe here, no worries of deportation.

4) Gas Tax Hike of 12 cents per gallon, highest in nation.

So what do we do about all this? Just mutter, shake our heads, and become defeated? NO NO NO! We at Navajo Canyon actively attend meetings and express our outrage, we email our politicians and express our outrage, we spread the word by forwarding articles to others and express our outrage. If we don't speak up, we become passive and ineffective. If not us, then who? Be a part of the solution!

On a happier note, our April Evening Event was a huge success with keynote speaker Tom Del Beccaro, delicious Mexican dinner, Road Show, Live Auction, \$100 Bill Tickets, and Candy Sales. It was a great time had by all!

Our next BIG event will be our annual Fashion Show on October 10th. Hear all about it at our May luncheon meeting! See you at the Brig!

O'Reilly's Back!

O'Reilly's "No Spin News" podcast premiered Monday, April 24 at 7 p.m. Eastern. The new show will be the No Spin News - news analysis on the net.

Bill will present about fifteen minutes of the news with twelve minutes devoted to headlines each day. At present, the show is an extended Talking Points Memo that covers the world and national politics.

As the website develops, there will be guests and the program will become longer and longer until it is a genuine news program. Presently, the show is an audio broadcast, but plans are being developed to make it a video display as well.

If you join www.BillOReilly.com as a premium member you can **hear O'Reilly's latest Podcast Monday -Thursday live at 4 PM Pacific Time each day.** Shows are kept on file at the website so you can hear them at any time

With your membership of \$49.99 per year, you will receive a free hardcopy of one of Bill's books, including his latest, *Old School*. You can also join at the rate of \$4.95 per month,

This is exciting news for those of us having withdrawal symptoms from missing Bill on The Factor each day.

Additional good news:

An alternative conservative cable network is reportedly in the works after recent events and reports suggest Fox News Channel is moving further left. Former Fox News Chief Roger Ailes, as well as high-powered television executives and potential funders are meeting to discuss what a new network could look like. The potential aim? Perhaps to put "the old band" back together again. Wouldn't that be great?

MEMBERSHIP

Currently Navajo Canyon Republican Women has 117 members. Our goal is 128! We have another few months to reach our goal! Please invite your friends and excited Republicans. New members are only \$30 for the year! These are exciting times and we need to hold our Congress members feet to the fire. It is always more fun to do this as a group! Let's get this done together. Any questions, please contact: Kathie Riesgo at kriesgo@aol.com or Mary Lewis at mlewis44@sbcglobal.com.

Ways and Means

Navajo Canyon rocked it at the Elk's Lodge in El Cajon last month! Tom Del Beccaro was our keynote speaker, and he mesmerized us with his speaking skills and incredible knowledge of current events. Just before he spoke, his allergies started acting up, my husband ran to CVS to get him some meds....you would never know that moments before he was struggling to speak the way he pulled it off! And who knew he was so good at being an auctioneer!

Besides having an excellent turnout of guests, our Club made a lot of money! The Road Show, Live Auction, \$100 Bill Ticket Sales, and Candy Sales brought us a profit of about \$3000!

Huge thanks to all the Navajo ladies on the Board and Ways and Means Committee who helped make this event a whopping success! You are much appreciated! I've heard nothing but very positive comments. At our May luncheon meeting, we will be announcing plans for our October 10th annual Fashion Show. It's going to be amazing, and you definitely do not want to miss this one!

Programs

We have another amazing guest speakers coming up this month: Carl DeMaio, the government reform-host of his own daily radio show on NewsRadio 600 KOGO. On June 13th we have Wendy Patrick, special operations from the District Attorneys office; and in September we have Brett Winterble, KFMB radio personality. Our fashion show will be in October 10th at the Bali Hai! There will be some exciting new ideas coming your way! Please get your RSVP's in early....as we may sell out!

Voter Registration
New Citizens Ceremony
San Diego Concourse
10am-noon

Trolley is easy from the East County. Take the green line to Sante Fe depot, transfer to the orange line through downtown and exit at the Civic Center. You can also take the Orange line into downtown coming west, still exiting at Civic Center. Go north into the concourse, see the colorful Republican Tent located right smack on the concourse, across from the other party and in front of Golden Hall. Sign-in and say Hello!

At about 10:30 a.m. a large group of happy, new naturalized citizens will come streaming out of the double doors to celebrate with their friends and family. We will be there to greet them and register them as Republicans.

By 12 noon, registrations will be complete, the tent will be packed up and the area cleared. Plan then to celebrate your day's accomplishments at lunch with your teammates.

Thank you!! Thank you!! Thank you!!

We had so much fun at New Citizens in April. We were one of 8 clubs with 23 volunteers, 15 from Navajo Canyon!!

We welcomed around 1500 new citizens. The excitement and enthusiasm was palpable. There were cheers for everybody. The more people we have, the more fun it is! Plan on joining us next month on May 24. We will be celebrating 60 months of a Republican presence at the New Citizens Ceremonies on the concourse! It will be quite the party, with a DJ, balloons and who knows what else. Plus, a little birdie told me our San Diego Chairman will be joining us...and maybe a few other county notables. I take the trolley, you can take whatever transportation you like, just get there!! Call or email me with any questions, comments or suggestions. Glenda 619.284.9958 fleetwood4@cox.net

Citizen's Guide to the Legislative Process: <http://senate.ca.gov/legislativeprocess>

Policy Committee hearings are the forums for public input, the best place for citizens to communicate their concerns about proposed legislation. Bills are heard in **Standing Committees** which meet on a regular basis throughout the year. **Joint Committees** have membership from both houses and consider issues of joint concern. Call or write Members of the committee in which the bill is being heard! Committee information available online includes committee membership, staff, addresses, phone numbers, meeting schedules, and policy jurisdictions.

SB 598 (HUESO) PUBLIC UTILITIES: GAS AND ELECTRIC SERVICE DISCONNECTIONS

STATUS: Placed in the Senate Appropriations Committee "Suspense File": A bill or set of bills, with a fiscal impact, set aside in Appropriations Committee by a majority of Members present and voting. These bills may be heard at a later hearing. (04/17/17)

SUMMARY: Requires the California Public Utilities Commission (CPUC) to adopt rules, policies, and goals to reduce disconnections of utility service for nonpayment and prohibits disconnections of residents on life support. According to the CPUC, implementation of this bill will require two Public Utilities Regulatory Analyst III positions to staff a disconnection rulemaking, produce reports to the Legislature, and act as ombudsman(s) on all rate or revenue requirement increase proceedings to assess impact on disconnections. An Administrative Law Judge will also be required to administer a disconnection rulemaking and any associated applications or settlements to establish policies, rules, or regulations to reduce disconnections by 2021; determine how to incorporate the metric of residential disconnections for non-payment into certain proceedings; and, potentially adjudicate disputes between customers and the utility for new prohibition on disconnection for non-payment.

FISCAL IMPACT: Approximately \$391,000 annually (Public Utilities Commission Reimbursement Account) to the CPUC for staff necessary to develop policies, rules, or regulations to reduce gas and electric disconnections by 50% by 2021; to assess the impact on disconnections for every potential rate or revenue requirement increase, as well as use disconnections as a metric for certain proceedings; and to create the required report.

AB 801 (WEBER/GLORIA) COUNTY OF SAN DIEGO CITIZENS REDISTRICTING COMMISSION

STATUS: Currently in the Assembly Local Government Committee. (04/05/17)

SUMMARY: Repeals existing provisions of law requiring a redistricting commission made up of former or retired judges to adjust the boundary lines of supervisorial districts in San Diego County after each decennial federal census, and instead establishes a Citizens Redistricting Commission in the county and charges it with adjusting the boundaries of supervisorial districts. Changes the criteria to be used when the boundaries of supervisorial districts in San Diego County are adjusted. There are 34 provisions with sub-sections in this bill, which would create a new commission of 14 members no later than December 31, 2020, and in each year ending in the number zero thereafter to redistrict the supervisorial boundaries in San Diego County.

Requires the political party preferences of commission members, as shown on the members' most recent voter registration affidavits, to be as proportional as possible to the total number of voters who are registered with each political party in San Diego County or who decline to disclose or do not indicate a party preference, as determined by registration at the most recent statewide election. Provides that the political party preferences of commission members are not required to be exactly the same as the proportion of political party preferences among the registered voters of the county. Requires at least one commission member to reside in each of the existing five supervisorial districts in San Diego County.

FISCAL IMPACT: Unknown. State-mandated local program; contains reimbursement direction.

AB 805 (GONZALEZ-FLETCHER) TRANSPORTATION AGENCIES IN SAN DIEGO COUNTY; TRANSACTIONS AND USE TAX

STATUS: Currently in the Assembly Committee on Transportation (04/20/17)

SUMMARY: Basically, this bill consolidates the workings of the board of directors of SANDAG, the San Diego Metropolitan Transit System, and the North County Transit Board. This bill would require the mayor of each city to serve on the board of directors, except in the case of the City of San Diego, where the mayor and the president of the city council would serve. The bill would require the chairperson of the County of San Diego board of supervisors to serve on the board as one of the two members on the board from the county board of supervisors. The bill would also revise the selection of alternate members of the board. This bill would additionally authorize MTS and NCTD to individually impose a transactions and use tax within their respective portions of the County of San Diego, with revenues to be used for public transit purposes, as specified, serving their jurisdictions, and to issue bonds backed by these tax revenues, subject to similar requirements.

FISCAL IMPACT: Unknown.

Chaplain's Message

"A new commandment I give to you, that you love one another"

John 13:34

It's May. Time for the flowers that come after the April showers. It's also the month that has Memorial Day. You know, Memorial Day... first official weekend of the summer season. I am sure that if you asked at least 50 young people they wouldn't have a clue what they are "memorial-ing", only that it is now beach season!

We, this group of hard working, God, family, nation ladies not only know that Memorial Day is to remember those men & women that sacrificed all to keep our nation free from the attacks & hatred of other nations, but we celebrate with somber, loving kindness & profound thanks. Without their dedication who knows where this country would be!

Even though it's not the same type of memorial, I would like to propose an in life memorial to others in our lives. At least once a month, send out a thank you note to someone to let them know that you are appreciative to them for something no matter how small. Send it, no emails, and no texts; pull out those pens & papers & stamps (49c now or 34c for a postcard) & make it a memorial moment for you & another person.

God bless you & yours!

Ginny Wisley
