

Ed Green Rifle Frolic

By Ed Kern aka Stage Coach

Just a not to thank all of you that came to the 4th Annual Ed Green Memorial Rifle Frolic. This year the weather could not have been better. No snow, high wings or anything. This was the 2nd year we have had a quail walk, the 12 stations kept the shot gunners busy. Along with the rest of the matches that were there were plenty of things to keep a person very busy. I found that I could not shoot everything and still visit with friends and just enjoy the county and the good people that came out to participate. The score sheet should give you a good idea of what went on. Quite a lot for a weekend.

Friday started out at noon with the trail walk, quail walk and re-entry match. Saturday was the busiest day. With the good turnout we were running a little behind schedule. Mainly starting matches later then was posted. This one of the things that we are going to have to work on improving. We want to keep the Ed Green reasonably priced, family friendly and open to all muzzleloaders. That is why it is set up the way it is. The shooting schedule is there so our club member can have their match and then enjoy the rest of the shoot. We want the shoot to be fun for you and us too. It must be working, because it is getting bigger every year. We had 74 registered participants this year. Not everyone was a shooter. We registered everyone so the is not anything that a person can't do. Well that is if you to old to get into the kid's games.

While we are talking of kids, Karen and her helpers kept the kids quite busy. Jeannie Dunn brought out her miniature horses and gave the kids cart rides. She had two carts so I seen Albert's Sister Missy driving one a time or two. I think we owe a big thanks to all that helped and organized things for the kids giving all a family something is helping the Ed Green to grow.

The Saturday night pig roast was well attended. We again want to thank you for the side dishes and for the donations to help pay for the pig. There was plenty of roast pig left so we hope that you took all you wanted home with you.

If you were here at the Ed Green Memorial shoot, we hope you had a good time. We will try and make it so you can enjoy yourselves. It you did not make it this year we hope to see you next year. Take Care. Stage Coach.
