

ICE FORCE SYNCHRO SKILLS 3 SKATING TEAM

2016-2017 Ice Force Beginner 3 Team

The Ice Force Synchro Skills 3 Skating Team represents South Dayton Figure Skating Club in Kettering, Ohio. A synchronized skating team at the Synchro Skills 3 level competes with a maximum of 16 skaters. The majority of skaters must be between 12-14 years old, but several skaters can be older or younger. To be a member of this team, skaters should be working on their Pre-Preliminary Moves in the Field test or have passed USFS Basic Skills Freeskiate 1-2. Our mission is to work hard, have fun, and exemplify good sportsmanship. We enjoy working together to build a sense of team spirit through all levels of synchronized skating.
