The Mayor's Cup Regatta is VSC's designated race for the LCCS Cannon/Goose Series and one of the optional races for the LCCS Champlain Series.

Known as one of “the” sailing traditions of Lake Champlain, the Mayor's Cup Regatta is the signature event of the popular 4-day summer festival in Plattsburgh, NY. Attracting sailboats from throughout the northeast and Quebec, racers face a “no guts, no glory” competition known, since 1978, for its spirited fun and, sometimes, high-seas adventure. When skippers who compete around the world claim Lake Champlain as “sailing at its best,” we know our waterfront treasure is no fool's gold!

The Rotary Cup goes to the over all winner of the Cruising Division, with the Mayor's Cup going to the over all winner of the Racing Division. There will be prizes and trophies for all divisions.
