Our Sincere Thank You-

Thank you for taking time to consider our fundraiser and supporting youth in the arts in our small community. Community partners allow us to continue to improve our level of performance and meet the many needs of marching and concert bands. If you have received this letter it's because our band families love and utilize your business and would like to invite you to partner with Fairview High School Band to help us reach our goals and also spread the good word about what you are doing. Thank you again and best wishes from The Sound of Gold.
