- Most students are strongly recommended to enroll, participate and/or compete in one or more of the local, state, national or international music organizations’ competitions or achievement programs as appropriate for their instrument and/or age-group/skill-level. **John Shapley** is a recognized member of these organizations. He has successfully helped prepare many students for the **National Piano Guild Auditions, Georgia Music Educators Association All-State Auditions and Solo Ensemble Festival, Associated Board of the Royal Schools of Music (ABRSM) Theory and Practical Musicianship** programs and other related events. These programs provide students goals to work towards, performance opportunities, and evaluations by other professional musicians. Students who participate in the programs receive awards and sometimes even scholarships for college music study.
- Students/parents are also strongly encouraged to utilize **SMART MUSIC Classic** computer software and technology by purchasing a 1-year student subscription for **\$44.00**. **SMART MUSIC Classic** will be utilized exclusively for all instruments excluding piano & voice. **SMART MUSIC Classic** is an incredibly effective and innovative tool which was created to enhance students practicing & performing experiences. Through the use of various forms of media, computer technology and cutting edge recording technology, students who use **SMART MUSIC** will make great gains in learning music and in performing skill. Please click this link to learn more about **SMART MUSIC**.
- **All students will be given specific practice assignments and pieces to prepare for their next lesson and or upcoming performances.** Students **MUST** practice daily! Students who do not practice consistently, do not prepare lesson assignments in a timely basis and who do not make adequate progress may be subject to expulsion from **Shapley Music Academy** without refund of tuition. I strongly encourage students and/or parents to telephone or text or email me during the week for questions or advice regarding lesson assignments. Please do not wait a full week to ask questions!
- **Practice time** will vary from student to student, depending on their ability level. Most importantly, students’ must develop a practice routine and cover all of the specific practice assignments posted on their **SMART MUSIC** class (or written on their **Practice Assignment** sheets) on a daily basis. Parents are encouraged to check their child’s progress at home by checking their **SMART MUSIC** assignments to see that they are submitting assignments on time. Most students require assistance in developing time-management, discipline, balance and prioritizing academic studies and music studies with social life, TV, computer, video games, etc. Please help your child organize his/her schedule to include a daily structured practice time along with homework, etc. Parents may wish to offer their child rewards for daily practice. Students who continually fail to practice and prepare/submit assignments are subject to withdrawal from the lessons program without refund of tuition.
