

## COTTAGE RULES Lake Dalrymple Cottage Retreat

Welcome to 323 Lake Dalrymple Road. We hope you enjoy your stay at our tranquil place. Please leave it clean for the next people to relax and enjoy. Below are information and some simple rules to follow during your stay with us.

1. We do not charge a cleaning fee because we expect reasonable adults will leave the cottage in the same condition they found it. We maintain a zero footprint policy. If you choose to hire our cleaners, please let us know before your stay.

**Non-cleaned cottages will forfeit their security deposit.**

2. Please do not smoke in the cottage or bunk house. Please pick up butts.
3. Check in time is no earlier than 14:00 and check out no later than 10:00 unless otherwise arranged
4. **ABSOLUTELY No Tents or Trailers allowed on property.**
5. Please clean up after your pet (both inside the cottage and on the property)
6. DO NOT flush anything but toilet paper, ie: tampons or pads. Place used toiletries in waste basket beside toilet. If the septic tank overflows due to misuse you will be charged. See call list to notify us of problem.
7. If you have problems with getting water, please check faucet spout. Sometimes a little lake sediment gets trapped in the screen. Unscrew, clean and replace. This should return the flow to its normal pressure.
8. Recycling must also be in clear bags, separated between clean glass and cans in one and paper products in another. Please see Garbage document for precise rules pertaining to garbage and recycling. See: <https://www.city.kawarthalakes.on.ca/residents/solid-waste-services/landfill-information/eldon-landfill>  
**If garbage or recycling is left on site after you leave you will forfeit your security deposit.**
9. Please ensure all water toys and recreational toys are put away in the shed.
10. If you use the canoe or paddleboat, please carry it into the water. Don't forget to take life jackets located in the shed. Keep canoe tied up and secure. At the end of your stay
