

**A RESOLUTION THANKING MAHLON JOHNSON AND
AL BURK FOR THEIR EFFORTS ON THE RECYCLING
COMMMITTE**

IN THIS YEAR 2014, The Town of Bridgton through its Select Board and Recycling Committee, do hereby resolve;

WHEREAS, A community's true value lies not with any one aspect or commodity but with the people who contribute to its overall wellbeing, and

WHEREAS, Bridgton is a community that indeed has many who have contributed over the past years in many aspects of the conduct of local government, and

WHEREAS, One area where we have seen progress and improvements are in the community wide effort to improve recycling and decrease the amount of municipal solid waste that must be disposed of, and

WHEREAS, The efforts of two past members of the Recycling Committee have invested of themselves tirelessly as they provided public education, information and maintained this issue before the community, its elected and appointed officials as an ongoing change in the way we now think of recycling and its impacts to our community's environment, our tax rate and our wellbeing.

Now I, Douglas A. Taft, Chair of the Bridgton Select Board, Do hereby resolve, acknowledge and bring honor to Mr. Mahlon Johnson and Mr. Al Burk for the efforts in bringing recycling information, education and the process of waste disposal in a manner that not only has saved our tax payers from the higher escalation of costs, but also for improved alternatives to recycling that include the "Single Sort" method in use today. The Bridgton community shall forever be appreciative to you.

Signed this day of March _____, 2014 by my hand on behalf of the Citizens of Bridgton Maine.

Douglas A. Taft, Chair
